VOL. LXXXIV NUMBER 35

Low Rental Housing Study Is Authorized

A preliminary survey was authorized Monday night by the Antioch Village Board to determine the feasibility of constructing low rental housing in conjunction with the Lake County Housing Authority.

The resolution adopted by the board calls for a structure with 100 units, but it could be one with not less than 60 apartments, Village Mayor Raymond Toft disclosed.

Village Attorney Edward C. Jacobs said the building would be constructed on 1 1/2 acres and would run from 8 to 10 stories depending on the number of units, should the project eventually be approved by the Federal government.

"This would not be a private project," Jacobs said. "It would be constructed, maintained and operated by a proper federal agency."

One of the pitfalls of such a project, Jacobs pointed out, is the possibility of "an undesirable element" settling in the community. "We can set the standards of occupancy," Jacobs said. "For example, a requirement would be that persons applying for space in the development must have lived in Antioch for two years and have an income not more than \$3,800 a year."

"This resolution only authorizes the survey," said the mayor. "The cost, amounting to about \$40,000, will be paid by the government."

No local funds will be spent in the survey, the mayor emphasized.

"We have the right to turn down the project after the government completes the survey," the mayor pointed out.

One of the stipulations the government makes is the low rental housing unit must be built within six blocks of the business area. "Any place in Antioch would qualify," the mayor added.

"We are just adopting a resolution to see if we qualify for low rental housing," Mayor Toft said. "We don't have to take it when the survey is finished."

The mayor noted that there have been a number of requests for the building especially from the Senior Citizens Chapter. It was pointed out that 75 elderly persons have signed petitions for the project.

Village Mayor Toft spoke of the unit in Zion known as Shiloh Towers. "You should go see it," he told the audience of homeowners. "It is well kept and maintained. If I am not mistaken only five persons have vacated their apartments in the past three years."

"It is the size of the building that scares me," said Trustee George Bartlett.

The board would have to change the building code in the event it decides to go along with the federal government should it decide favorably for the project. The code now allows structures not to exceed 35 feet.

The proposal by Vern L. Barnstable for the Lake County Housing Authority to make the study was adopted 5 to 0. Absent from the meeting was Trustee Robert C. Wilton.

The Village Board concurred in the recommendation of the Zoning Board of Appeals to reject the proposed rezoning of two lots in Smart's Ridgemoor Manor Subdivision from R-1 (single family) to R-5 (multiple family) to allow the construction of two six unit apartment buildings.

The petitioner for the rezoning was Edward C. Jacobs as trustee. Proponents argued at the Feb. 9 meeting said that the proposed apartment buildings would not create a traffic problem, that the sites are located on an island with Highway Avenue going around it.

Opponents argued that it would decrease property values and increase the traffic in the neighborhood area.

The Zoning Board of Appeals recommended the petition be denied by a 6 to 0 vote.

In citing reasons for turning down the application, the board said it would create a sewer and traffic problem and would impair the public health, safety morals and welfare of the immediate neighborhood.

Trustee Irv Walsh proposed the construction of village dog pound possibly at the village barns. He was requested by the mayor to make a cost survey before any action was taken on his proposal.

Mayor Toft was critical of the housekeeping habits of the Girl and Boy Scouts at the Scout House. He said Monday when the Antioch Women's Club went to the building there was garbage and debris on the inside. He said village trucks had to be called to haul away the garbage.

"I believe the Girl and Boy Scouts should be responsible for cleaning up the Scout House," the Mayor said. "The Women's Club cleaned the windows on the inside several months ago because they could not see outside. I don't believe it is the responsibility of the village or clubs to clean the building."

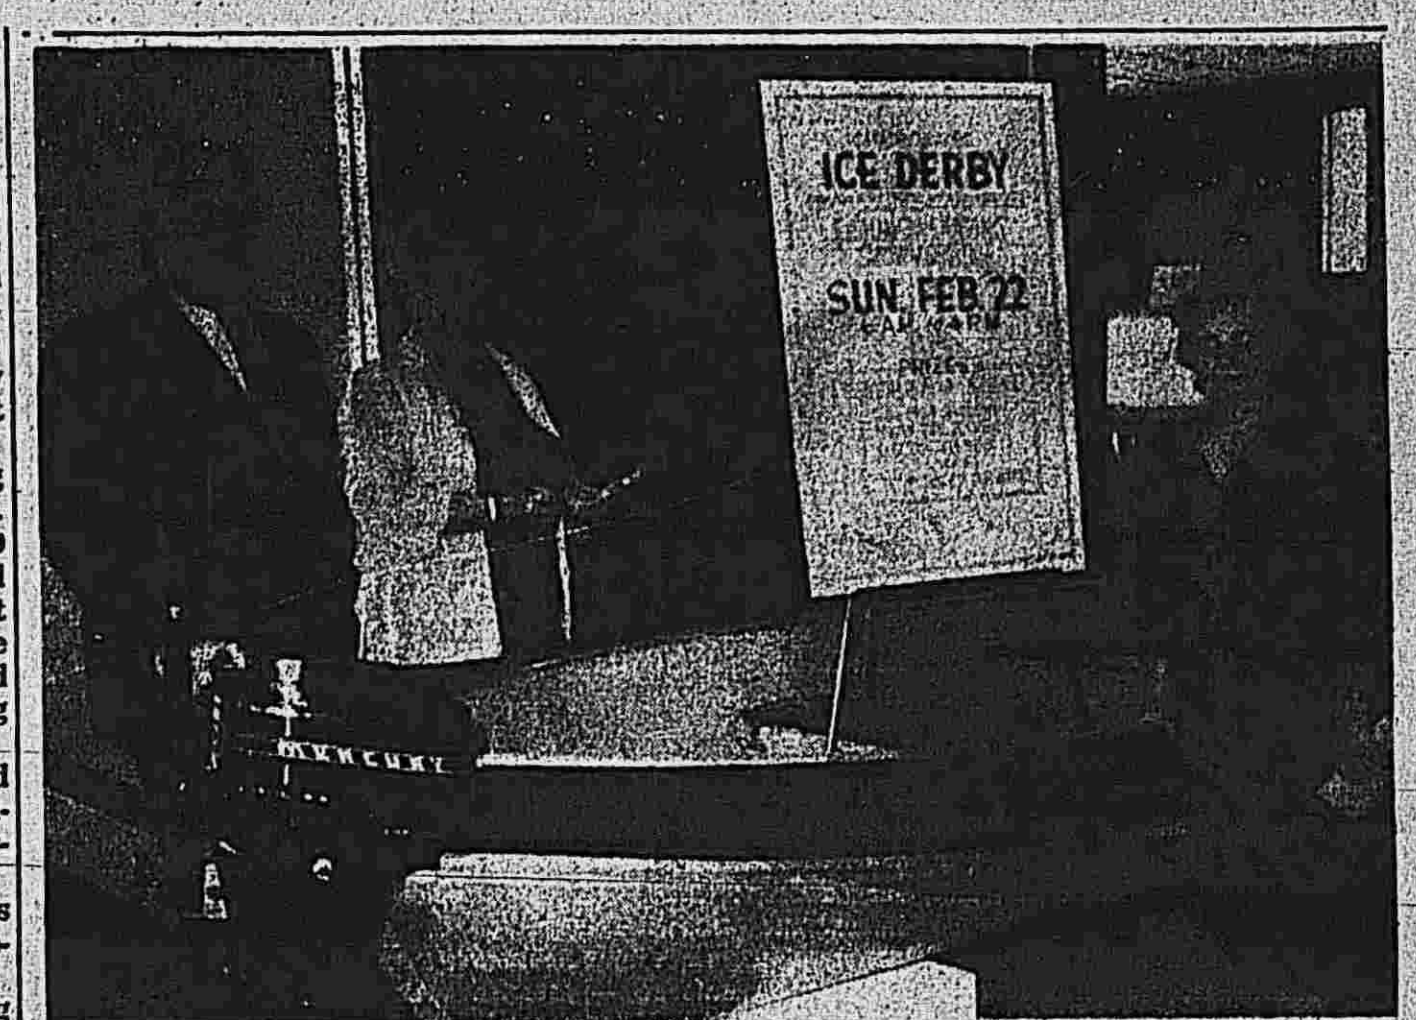

"This cleanup should be the job of the Scouts," he said.

A letter was ordered sent to the Antioch Scout Leaders in order to improve the housekeeping habits of the Scout units using the building for meetings and campsouts.

The trustees approved payment of \$12.50 a week to clean the new police station and \$25 for the twice-a-month cleanup of the Village Hall.

The board approved the outlay of \$2,294 to increase the capacity of the lift station on Depot Street. "I think we ought to approve this money inasmuch as we had trouble in this area last spring," said Trustee Barnstable. The other trustees agreed in approving his proposal.

Radcom Inc. of McHenry was given the contract to install a base station for use by the village's maintenance department—street and water. The board

William Brook, from left, Marie Furman and Laura Swanson pose with the complete fishing boat which will be given as a prize Sunday, Feb. 22 when the Antioch 885 Club holds its first annual Ice Derby on Lake Catherine.

'FanFare' Is Ready To Open

Music and Hollywood—laughter and Hollywood—this is the general theme of PM&L's original variety show, FanFare! This musical-comedy-dramatic extravaganza with a cast of approximately 24 will open this weekend at the Antioch Country Club Playhouse, corner of Grass Lake Rd. and Rt. 59, Antioch, and will run Friday, Saturday and Sunday nights for two weekends, Feb. 20, 21, 22, and Feb. 27, 28 and Mar. 1.

Reservations for theatre tickets or dinner-theatre tickets can be made by calling the Antioch Country Club, 395-3000. Dinner hour is 6:30 p.m. Curtain time is 8:30 p.m.

The first section of the evening's entertainment is devoted to children's movies. Soloists Marybeth Benel and Dee D'Isa are joined in chorus by youngsters Rebecca Wazelle, Laura Davis, Elaine Surrock, Jeff Smouse, and Duncan Hucker.

Other sections include musical themes used as background music in dramatic productions, songs for lovers, songs from big Hollywood musicals, new and different sounds of music, and finally music from Hollywood musicals based on Broadway hits.

Soloists include Florence Babusek, Barbara Fleisher, Gloria Davis, Wendy Jensen, Nancy Eberman, Fred Holbert, Gil Erdman, Rich Irmen, and Kenneth Smouse. Duets will be sung by Wendy Jensen and Cheryl Dalgard, Barbara Fleisher and Fred Holbert, Florence Babusek and Ken Smouse, and Ken and Betty Smouse. The chorus includes soloists and Joyce Malewski, Ricky Apostol, Bill Sereshon, and Debbie Chandler.

A hilarious one act play directed by Don Beveroth will be included. Dramatic artists include Gary Richter, Rich Irmen, Truman Garrett, and Steve Patwell. Comedy blackouts pop in and out during the entire performance. Background music by Marion Boyd, Joe Kanka, Steve Tell, and Dr. James Kopriva add the frosting to a very entertaining cake—FanFare!

Short School Day

The school day at Antioch Community High School will be shortened on Wednesday, Feb. 25, 1970, to three hours for students.

Students will start at 7:45 and 8:25 a.m. depending on whether they are on early or late schedules.

They will be dismissed at 11:00 and 11:40 a.m., again depending on individual early or late schedules.

Teachers will be engaged the remainder of the day in an Audio-Visual In-Service Workshop. The purpose of the workshop is to maintain the proficiency of the instructional staff with the most modern instructional tools used at the school.

Teachers will work in teams re-evaluating their proficiency in instructional Television, Motion Pictures, Audio tape recorders, overhead projectors and duplicating equipment and materials.

The workshop has been approved by Dr. Petty, County Superintendent and the office of Ray Page, Superintendent of Public Instruction. The workshop will be under the direction of Donald Drake, Audio-Visual Director of the high school.

No Mail Delivery On February 23

There will be no mail delivery in Antioch on Monday, Feb. 23 the post office announced.

The mail carriers will take a holiday to celebrate George Washington's birthday which falls on Sunday. The post office will be closed all day.

Smorgasbord Dinner

Salem United Methodist Church has announced its annual Smorgasbord Dinner will be held at the church on Saturday, Feb. 28 from 4 p.m. to 7 p.m.

The menu will include such things as hot casseroles, Swedish meatballs, roast chicken, roast beef and many other good things to eat.

College Election Slated

The Board of Trustees of the College of Lake County announced that the election of two members of a full three-year term each on the Board of Trustees will be held on Saturday, April 11, 1970.

Each candidate for membership of the Board of Trustees must submit, or cause to be submitted, a nominating petition supporting his candidacy before his name may be placed on the ballot. Such petitions must be signed by 50 registered voters who reside within the College district.

Nominating petitions are to be filed with the required statement of candidacy with Betty Mattix, designated representative of the Secretary of the Board of Trustees, at the College offices, 19351 W. Washington Street, Grayslake, Illinois 60030. Petitions must be filed between the hours of 8:30 a.m. and 4:00 p.m. The first day for filing nominating petitions is Feb. 25, and the last day is March 20, 1970. The names of candidates will be printed on the ballot in the numerical order in which the nominating petitions are filed.

Additional information and nominating petitions may be obtained at the College offices during the hours stated above.

Open House Sunday

St. Peter School is uniting with all Catholic schools in the state of Illinois by holding classes on Sunday, March 1st, from 1:00 to 3:30 p.m. This state-wide demonstration, "Open House" Sunday, is designed to inform the general public about the quality of education presented by non public schools and to secure public support for state financial aid for the non public schools.

An open invitation is extended to the public. Local educators and town and county officials have been invited to visit the school. Senator Coulson and Representative

(Continued on page three)

County Board Okays Housing Development

A controversial, multi-million dollar new town zoning request from Riverwoods Development Corporation by the Lake County Board of Supervisors. The zoning was granted after months of debate, primarily over of the development's proximity to the Volok tamarak bog northwest of Sullivan Lake in Grant Township and the fear that it would disrupt the ecology and wildlife of the bog.

The board passed the rezoning request by a vote of 25-7 after lengthy debate. This was the third session in as many months that the board had spent over an hour discussing the project and its possible effects on the bog and adjacent property.

Prior to the vote of Wednesday's meeting a letter from the Village of Lakemoor in McHenry was read in which the village informed the board it would withdraw a formal objection to the project if certain amendments

were approved, assuring maintenance of present water levels in Sullivan Lake.

An amendment was passed obligating the developer to installation of a core trench of such size, depth, length and location as to assure no change in water levels which would adversely affect the bog or the lake.

Action on a companion zoning change located in Wauconda Township involving approximately 40 acres was deferred for thirty days. When the total zoning is finally secured, the developer will file a formal planned unit development application. The planned unit development petition will cover construction of single family homes, apartments, shops and recreational facilities of the proposed 94 million project, designed to accommodate 10,000 residents.

During the regular monthly session of the Lake County Board (Continued on page three)

A 64-year-old landmark on the grounds of the Lake County Home at Libertyville was raised recently. The 103 foot, 50,000 gallon water tower had stood on the property since 1906. It furnished water to the home until 10 years ago. Personnel from the county highway department handled the demolition.

Artists Await Show

Hundreds of amateur artists from all areas of the country are eagerly awaiting the 1970 Town and Country Art Show, according to Extension Advisers, Ray T. Nicholas and Helen Volk. The art show is sponsored by the Lake County Cooperative Extension Service of the University of Illinois, and will be held in the Farm Bureau Building on the Lake County Fairgrounds, March 31 and April 1.

According to present indications there will be entries in all classes including paintings in various media, ceramics, wood carving, sculpturing, metal enameling, weaving, pottery, photography, and other crafts.

Entries will be judged in three different age or grade level groups: 18 years of age and older, under 18 and/or high school, and below high school. The blue ribbon winners in the upper age level group will be eligible to enter the regional show in the summer.

Last years show drew a total of 645 entries from more than 250 amateur artists. Seventy six entries in the upper age level group were selected by the judge for entry in the regional show and seven of these were selected for the state exhibit.

The distinctive feature of the Town and Country Art Show is the critiques conducted by the jurist. These critiques will be held at 2:00 p.m. and 7:30 p.m. on Tuesday, March 31. The public is invited to attend the show and critiques without charge on Tuesday; March 31 from 1:00 p.m. to 10:00 p.m. and Wednesday, April 1 from 9:00 a.m. to 9:00 p.m.

Entry blanks and rules of the show may be obtained by writing Ray T. Nicholas, P.O. Box 267, Grayslake, Illinois 60030 or Helen Volk, P.O. Box 356, Grayslake, Illinois 60030.

(Fifth in a series of articles on the significance of local government today. This one poses some interesting thoughts on "local" government in metropolitan areas.)

Local government with a migraine headache is big city government.

But is big city government really local?

When you look at big city government today you can find it to be more massive and more complex than was the government of the United States less than 100 years ago.

Today, most metropolitan governments cannot cope with the multiple problems they face: people problems, money problems, management problems, educational problems, racial problems, crime problems.

Yet, master planners of a "new federalism" suggest that a system of metro government is the solution to local governmental ills!

Perhaps the solution is exactly the opposite.

Perhaps the concept of true local government needs to be injected into cities, with a system patterned after the concept of township government. Then big city government would be returned to the people. And from the people action would be generated to solve the problems which big cities face.

Within every big city there are localities, just as there are counties, townships, municipalities and villages within the state. And each locality has different circumstances, problems and needs.

AHSEA Votes Unity

At the monthly meeting of the Antioch High School Education Association, Mrs. Virginia Haas, president of the North Lakes Division of the IEA, as guest speaker, explained the reasons for unification of the local IEA with the NEA and answered questions relative to it.

Don Beveroth, president of the local association, reported that the teachers' petition requesting the adoption of a nine-week grading period was presented to the school board by Harrison Brown and himself. Statistics of the Association's 1966 survey, which was highly laudatory of the ad-

(Continued on page two)

New Type Of Metro Government

Yet, centralized metropolitan government gives relatively little responsibility or authority for localities within it to solve their problems. Yes, they have their representatives in the city council, but a big city alderman has a small voice in the operation of his government. Especially so if he is in the "out" party.

The people in a big city have relatively little to say about their government. They cannot control the operation of their localities. Their primary contact with government is a precinct captain. Everything that happens around them functions through political organizations subservient to a big city machine. City hall is mighty powerful, and how often can they fight it?

A national magazine once compared Chicago government with that of Russia. It concluded that Russian people had more to say about what was going on in their country than did the people of Chicago exercise a voice in their government.

Any large metropolitan area has this problem. Even smaller cities experience it. The rights of the people decline. Freedoms are not necessarily lost, but become ineffectual. People feel lost and helpless—become frustrated, discontented and disturbed.

Without a local government to help them, some sections of big cities sprout gangs as an alternative. And without political responsibility as their tool, such gangs rely upon friction and force to achieve their goals.

Force does not achieve responsibility. But it does establish authority.

If local "town" governments were established within big cities, this would inject the responsibility that is now missing. People would begin to care about what happens in their communities. They would become a part of government, with close access to local officials who had authority in their area. People would develop greater pride and respect for their "town" and their government—to help it progress, and to keep it clean, respectable and peaceful.

A "town" government plan within a big city might very well be patterned after township government. Each town might elect officials such as a supervisor, a three-man town board, a tax official and a clerk. Appointees might include a health officer and a street commissioner. These officials would oversee their respective responsibilities within their town, much as do township officials in suburban areas of Chicago, for example.

Of course, such city-town officials would be responsible to the city council, according to legislation and ordinances so established. They would have authority but not total autonomy.

Would this be wasteful and expensive? Not likely. Town officials would replace a myriad of payrollers otherwise employed in the city. Some positions would part time and not costly. Volunteer help would be relatively easy to find to handle special jobs and assignments.

There are those who might

A Good Decision

We are sure that Judge Julius Hoffman, who tried the so-called "Conspiracy Seven" will come in for much criticism for his actions in sentencing the defendants and their lawyers for contempt of court.

We are of the opinion that the judge did the country a favor by his actions.

We applaud his decision to await the end of the trial before giving out the sentences.

It seems to us that it would have been foolish for him to have sentenced the defendants for contempt when the contemptuous actions were made — thereby causing a mistrial — and having to try them all over again.

It is our opinion that the defendants in this case went into the courtroom and tried to create a stage whereby they could ridicule the United States and all that it stands for.

We find it reprehensible that these people even attempted this action.

This is not the majority of the people in the United States that they represent.

We feel that this is only a small minority who have pledged themselves to creating dissension among our people.

They should not get away with it — and they have not with Judge Hoffman presiding.

The issue here, it seems to us, has developed into not whether the defendants created a conspiracy to disrupt the Democratic National Convention.

It seems to us that the issue is more basic.

It seems to us that the issue is whether a defendant in a courtroom can scream obscenities can disrupt the court, or can even espouse his feelings — for that matter — before he gets on a witness stand.

If you and I were brought before the court we would let our lawyers do the talking for us.

This did not happen in this case.

And as a result the lawyers — who are supposed to know how to conduct themselves in a courtroom — were as guilty, in our opinion, as the people they represented.

It will cost the people about \$2.5 million for the prosecution of this case.

In another time, or another case, we would say that this is excessive.

But in this case we say that the price we must pay will be small indeed if those who commit atrocities against society are brought to the bar of justice and dealt with accordingly.

It seems to us that we have too long gone overboard to give the "kooks" a fair shake and it also seems to us that we should first evaluate what these persons are contributing to society and then, if in the opinion of the majority they are too far overboard, shut them off.

In our opinion the press has too long been on the side of those who would tear apart our system of government. Fair shake is indeed only what they should get but in the coverage of this trial only what the defendants have done has made so-called news.

The press has been too long concerned, in our opinion, with reporting controversy, rather than giving the readers all of the news.

We could go on and say many things that would probably get us into trouble.

We will only say that we feel that no judge, in any court, should have to suffer the abuse that the defendants in this trial have tried to hand out.

We also say to Judge Hoffman — we are with you 100 per cent.

New Type of...

(Continued from page one)
say, "You cannot govern a big city that way. You must have total central authority."

In effect, that says, "You cannot let people govern themselves."

Yet the strength of democratic government is in the concept of government by the people. Give them the responsibility of self government and their govern-

ment becomes better and stronger. Local government belongs within metropolitan government.

Low Rental...

(Continued from page one)
agreed not to spend more than \$900 for the base station with 23 channels and five portable radios. The cost will be divided between the street and water departments. The units were recommended by Trustee Richard O. Burnette.

Tax Refunds Delayed By Errors

Early Federal income tax returns indicate that many taxpayers are making errors in claiming adjustments to their income which may delay their refunds, the Internal Revenue Service announced.

The term, "Adjustments," as used on the tax form, refers only to sick pay, moving expenses, employee business expenses, and payments to self-employment retirement plans. The total of these items is entered on line 15B of the Form 1040.

Some taxpayers are incorrectly reporting on line 15B, the total of their itemized deductions such as interest expense, state and local taxes, contributions, medical, or miscellaneous expenses. These deductions should be computed and entered on the appropriate schedules as provided in the instructions.

The IRS said that taxpayers are making mistakes by including as adjustments the exemption allowances for themselves, husbands or wives, children, or other dependents. For taxpayers who use the tax table to compute their tax, the exemption allowance is already figured into the table. Taxpayers who use the tax rate schedules should make their computation on Schedule T, which is included in the regular tax packet.

To avoid errors in claiming adjustments, the IRS suggested that taxpayers read the instructions carefully and make sure they have attached the proper supporting documents.

AHSEA Votes...

(Continued from page one)

Advantages of the longer grading period, were also given to the board by the association's representatives.

Members of the Welfare Committee — Charles Lindholm, chairman, James Corrigan, and Kenneth Wierschem — reported on the progress of their negotiations with the board.

Roger Andrews raised a question concerning small student groups visiting places without a chaperon. Definite arrangements were made to determine the correct procedure on the problem.

Mrs. Janie Craner, art instructor, asked for more art displays. Up to the present teacher, apportionment talent shown have included these displays: an oil landscape by Gilbert Krahm, science instructor; paper sculpture of the Nativity by Stuart Good, Industrial arts; handpainted china by Martha Heindl, school nurse; and typed pictures by Dora Beattie, business education. Coming soon will be a display of miniature people modelled in clay by A. L. Dittman, superintendent.

At a special meeting of the association, the determination of its stand regarding the unification of the IEA with the NEA was brought to the attention of the organization. Following an in depth discussion, the teachers voted unanimously for unification.

The March of Dimes cooperates with public health agencies, the medical profession and many service groups in creating programs to educate the American public in the prevention and control of birth defects.

ALONG THE WAY with Annie Mae

BACK HOME

The Herb Redman family recently returned from Taiwan, where they have been for the past two years. Mrs. Redman is the former Barbara Forbrich. She said she prefers the 80 and 90 degree weather there to our cold weather. The Redmans and their four children are staying with her parents at Grass Lake until Herb receives another assignment with the Public Health Department.

IT'S A WINNER!

The Art Meierdicks and the Joe Stenzel, Jr.'s just returned from a trip to Las Vegas. Win or lose, they had a wonderful time.

PINK AND BLUE NOTES

Phyllis and Dennis Johnson are proud parents of a son, Dennis, Jr., born February 15 at Victory Memorial Hospital. Baby weighed 6 lbs. 12 oz.

Barbara and David Vos are the proud parents of a baby girl weighing in at 9 lbs., named Dawn Annette. This is the first grandchild for Mr. and Mrs. Eugene Diemer. The paternal grandmother is Mrs. Cletus Vos. The M. Stillsons of Antioch are the proud great-grandparents of a baby boy born to their granddaughter, Debbie, Mrs. David Hooker. The Hookers reside in Lawton, Okla., where Mr. Hooker is stationed with the Army.

GET WELL WISHES

Are in order for Art Trieger at Victory Memorial, Fran Box-

ley at St. Therese. Alice Young is at home with a broken arm as a result of a fall. Dr. Pauletti is recuperating from a bout with pneumonia.

WEDDING BELLS

Linda Toepper and Richard Winters were wed in a ceremony at St. Stephen's Church on Valentine's Day.

SIGNS OF SPRING

The snow is really melting this week and it looks more like spring every day. (or am I just wishing?) One of the more hopeful signs of spring was when I overheard one of the firemen mention water fights in March. Host teams are from Wisconsin!

Looking for the corner that Spring is just around.

See you there,

ANNIE MAE

Announce Student Opportunity

Nationally known Scientists of Tomorrow today announces a unique summertime opportunity for high school students across the nation who want to explore college and careers before they decide what they want to do with their future lives.

This summer, in cooperation with Scientists of Tomorrow,

eleven colleges and universities will offer 19 one- or two-week educational and career guidance institutes in fields as diverse as engineering and science, communications arts (those studies relating to human relations), forestry, and wildlife management, agricultural research, dentistry, law, and medical technology.

Purdue University will hold its second Junior Engineers and Scientists' Summer Institute or JESSI, June 14-27, 1970. The University of Pittsburgh will hold its sixth JESSI July 19-August 1.

JESSI is an exploration of the sciences and engineering. The programs admit present 10th, 11th and 12th grade boys and girls.

The fee for the Purdue University JESSI is \$145.00; for the University of Pittsburgh JESSI, \$150.00. These fees cover all on-campus costs — tuition, board and room, supervision, insurance, etc.

Scientists of tomorrow encourage service organizations, businesses and local industries to sponsor deserving local high school students to the institutes. Sponsors often work through the school's student activity fund or through Scientists of Tomorrow.

Announcements, applications and detailed information for the institutes have been mailed to directors of guidance in every high school in the nation — more than 23,000 high schools — and to the editor of every high school newspaper. Information may be had by writing Scientists of Tomorrow, P. O. Box 1349, Portland, Oregon 97207.

CHECKING ACCOUNTS

Here's an opportunity to save yourself many dollars each year and enjoy all the convenience and safety of a STATE BANK OF ANTIOCH checking account.

Write all the checks you want... make all the deposits you want... There are no service charges at all for a regular personal checking account if you keep a minimum balance of \$150.00 during the month.

If your balance falls below the \$150.00 minimum the service charge is \$1.50 plus 5c per check.

"Serving the Lakes Region Since 1894"

Roy Campanella, star catcher for the old Brooklyn Dodgers has been named National Sports Chairman for the 1970 Easter Seal Campaign. He is pictured here with Lori Jean Bowen, 3, of Columbus, Ohio; National Easter Seal Child. The campaign opens Feb. 23 and continues through March 29.

County Board Okays

(Continued from page one)

Supervisors members acted to cover expenses of the upcoming primary election on March 17; authorize an application for \$1.5 million in federal funds for the Northwest Area sewer project in the Fox Lake region; award contracts to Upstate Motors and Reed Randle Motors of Waukegan for 19 new squad cars for the sheriff's department for a total of \$35,113; confirm the appointment of Kenneth K. Hamsher of Fox Lake to the Sheriff's Merit Commission; combine the office of county rabies inspector and veterinarian due to the resignation of John H. Wawirka, D.V.M.; and grant a further extension of time to the Board of Review to complete a review of assessments.

In connection with the extension given the Board of Review, Cuba Township Supervisor Joseph Welch, who is review board chairman, criticized some township assessors for not completing their work and turning over their books before the first of the year. "There is no excuse," Welch told fellow supervisors, "for these books coming in this late." It appears now that Lake County tax bills will not go out on May 1, as they did last year.

Also at the meeting the County Board tabled four zoning petitions and granted a request by Michael Chervay to rezone 1.7 acres in Elia Township from agriculture to highway commercial; a variation in UR-2 setback in Lake Villa Township to Kenneth Hoffman; a change from UR-3 to highway commercial in Antioch Township to Thomas Steiskal.

The next regular meeting of the county board will be held on Tuesday, March 10.

During the past year the Lake County Forest Preserve District received donations of 24½ acres of land, all but 2½ in the Edward L. Ryerson Conservation Area of Vernon Township. The remainder is adjacent to Lakewood Preserve near Wauconda.

In addition to the donations, the District purchased a total of 61 acres in the Ryerson area and 20 lots in Spring Bluff Preserve near the Wisconsin State line.

Federal funds amounting to \$110,385 were received for two acquisition programs.

During the calendar year Commissioner Ernest W. Minter was elected president of the commission and Robert J. Towler of Hill City, South Dakota was hired as district forester.

Much attention centered on development of the 1,055 acre Lakewood Preserve where shelters, a parking lot and comfort stations were constructed, and outdoor education facilities improved. Other improvements, including a shelter, comfort station and two fireplaces, were built at Wright Woods.

A total of 407 picnic permits and 85 camping permits were issued with total attendance at the three preserves open to the public estimated at nearly 60,000.

A new snowmobile ordinance passed by the commission last year designated certain trails open to the public in Wright, Lakewood, Van Patten and Spring Bluff preserves.

The Lake County Sheriff's Merit Commission will host a meeting of the County Merit Commission Association of Illinois on Thursday, February 19 in the county administration building,

Waukegan.

Commissioners representing some ten counties are expected to attend the morning session. They will discuss the general philosophy of merit commissions, and a draft of a proposed constitutional article to be submitted to the Illinois Constitutional Convention on merit commissions.

A press conference is scheduled for 2 p.m. in Room 803 of the Lake County administration building. County offices, including the courts, will be closed all day Monday, Feb. 23, in observance of Washington's birthday.

By action of the Board of Supervisors in adopting rules and observances last year it was established that any designated holiday which falls on a Sunday would officially be observed the following Monday. This same rule will apply for Memorial Day in 1970.

All county offices and the courts will open for normal business on Tuesday. Public Works Director Herbert W. Byers says purchase of the Liberty Acres water system brings to eight the number of small water companies acquired by the county.

The Liberty Acres system was purchased from S & S Water Co. for \$3,000. It serves about 20 customers living south of Arbor Vista on Casey Rd. south of Rte. 45.

Open House...

(Continued from page one)

representatives Murphy, Conolly, and Matijevich have been extended invitations as well.

Classes in science, English, social studies, reading and mathematics will be held. Art and science displays will be in evidence. Student work may be perused in the classrooms.

The theme for the day is "Come and see what we want you to buy." The grave need for state financial aid is of utmost concern to every taxpayer in the state. Private and parochial schools educate one out of six students in Illinois at virtually no cost to the taxpayer. Many Catholic schools have been forced to close their doors because of their financial straits. The former students of these schools have joined the ranks of public school children at an average cost to the taxpayer of \$800 per child per year.

If the 450,000 pupils presently enrolled in non public schools were to transfer to public schools, the cost to the taxpayers, at the official \$800 average, could be as high as \$324,000,000.

Thirty-two million dollars in state aid is being asked for by non public schools. This is less than one-tenth of what the cost could be in taxes if those schools were to close.

Governor Richard Ogilvie said, "... (the state) must alleviate pressures upon the private and parochial school systems or face the dangers resulting from their collapse."

St. Peter School welcomes the opportunity to demonstrate its role as one of the vital cultural-educational institutions in Antioch.

Veterans and servicemen with U. S. Government Life and National Service Life Insurance policies will receive \$284 million in dividends in 1970, according to the VA.

Antioch Grade School Approves Spring Vacation

Antioch Grade School Board at its meeting Tuesday night adopted Lake County Superintendent W. C. Petty's 1970-71 school calendar program beginning September 8, 1970 and closing June 16, 1971.

Five members of the Board as well as Mr. Richard Whitacre and Mr. Romaine will attend the Illinois Association of School Board Dinner February 25 at Warren High School, Gurnee.

Walter Soderman was given permission to attend the I.E.A. February 26 and 27, at Sherman House, Chicago. Mr. Soderman is an Eighth Grade teacher at Oakland School and a substitute teacher will fill in for him on these days.

Miss Mildred LaPlant and Mr. Whitacre will represent Antioch at the annual meeting of Special Education District (SEDO) Lake County on February 26, at the Carl Sandburg School, Mundelein.

The Cincinnati Company was awarded the contract for \$150 to install new master clock, to ring bells, etc., at the Antioch Grade School building.

The sum of \$20,000 plus \$796.04 interest was turned over to the School Treasurer by attorney Ted Larson. This completes the agreement whereby Mr. Larson had been authorized by the board

to hold \$20,000 in escrow covering the indebtedness on property.

The board discussed lowering sanitary sewer five feet at the new school. The price, \$2,829.14. The board felt at this time they did not wish to comply with this program.

Information was received from Commonwealth Edison Company stating that they will assist in installing electric ranges in the new domestic science room for the new grade school.

The board voted and allowed four snow days to be taken at Easter time, March 23, 24, 25, 26 and Good Friday. Vacation will start at the end of the school day on Friday, March 20 and reconvene on Monday, March 30.

A school board committee was appointed to open professional negotiations with a representative committee of teachers. Dr. Bohzein, Miss LaPlant and Charles Maples were appointed.

The Board of Education agreed to meet with the Antioch Community High School to secure further information regarding the formation of a Unit District.

The Board gave approval to Third Grade Teacher Wanda Barthel to attend a conference in Waukegan March 15 on the Title I Summer Reading Program.

Pick Two Students Thursday

The Student Achievement Recognition Program will reach a peak at the College of Lake County on Feb. 19, with the final judging and announcement of the two campus winners. Judging will take place on campus in the Board conference room.

A man and woman student who best demonstrate progress toward career or educational goals will be chosen by a panel of judges and each will receive a \$100 cash prize. They will represent the College of Lake County in one of five district competitions in March throughout the State, from which 10 winners — a man and woman from each district — will be selected for the State final in April.

District winners will be awarded \$250 each and the top two State winners will get a \$1,000 prize each plus a trophy.

A total of 13 students have entered the competition so far at the College of Lake County. Eight of them are men and five are women. Deadline for receipt of entries is Feb. 13.

The names of the campus winners will be inscribed on a plaque which will be displayed prominently on each campus.

Serving on the judges panel are members of the Student Affairs Committee. Coordinating the entire program at CLC since it began last fall is Dr. Russell O. Bloyer, assisted by a committee of students.

All 44 public junior colleges in Illinois are participating in the first year of this award program, co-sponsored by the Illinois Association of Community and Junior Colleges and Continental Bank, Chicago. Purpose of the program is to focus more public attention on junior colleges and encourage educational excellence and school spirit.

Landscaping Course Planned For March

"Next to the house, itself, the lawn and tree and shrub planting are most important," states Extension Adviser, Ray T. Nicholas. Home owners who are interested in learning how to give their house the setting it deserves can do so by attending a series of five sessions on "Landscaping The Home Grounds" to be given by Lake County Extension Adviser.

The 1970 series will start Thursday, March 5 and will continue through Thursday, April 2. The sessions will be from 1:00 p.m. to 3:00 p.m. in the new Cooperative Extension Service Building on the Lake County Fair Grounds.

The Landscaping Course will include such subjects as fitting trees, shrubs and flowers in the plan; designing the public living, and service areas, purchase and care of plant materials; and designing a plan to suit the family's interests.

Interested parties who wish to enroll in the course, should contact the Extension Advisers office on the Lake County Fair Grounds, Grayslake, for enrollment blanks before Feb. 26.

Engagement Announced

Mr. and Mrs. W. H. Paulsen of Millburn announce the engagement of their daughter Mary Susan to Thomas Gerald Erlenborn, son of Mrs. Olga Erlenborn of Millburn.

Miss Paulsen is a senior at Stout State University and a member of Gamma Sigma Sorority. Mr. Erlenborn, a graduate of VanderCook College of Music and member of Kappa Kappa Psi Honorary Music Fraternity, is now teaching instrumental music in the Harvey Public School system.

A summer wedding is planned.

It's easy to place a classified—Just dial 395-4111.

Three Win DAR Highest Honors Award Given

Three students at Central High School in Salem, Wis., received straight A's through the first semester, school officials announced.

They were Pam Carlborg, a senior, Marion Zwirgdsas, a junior and Cynthia Hoffman, a sophomore.

Fifty-seven other students made the honor roll and another 31 made honorable mention.

They are:

HONORS

Seniors: Kathy Badke, Greg Biehn, Pam Engberg, Jeff Gahart, Sarah Hewitt, Rose Kasten, Jean Kemph, Sue Kessler, Jan Klemko, Barbara Koenecke, Lisa Lichter, Dolores Lilly, Cheryl Ludwig, Pat Olsehl, Debby Rigert, Lenore Sakalowski, Linda Schulz, Linda Strampp, Peggy Turner, Diane Vanderwerff, Mary Velasquez, Pam Wagner.

Juniors: Cheryl Bielewicz, Regina Carlson, Nancy Frederick, Gary Gilmore, Rila Haugen, Betty Holloway, Linda Kernen, Sue Neece, Karen Schulz, Rita Terry, Doris Vos, Sandra Stollenwerk.

Sophomores: Gloria Burrow, Dan Griffiths, Terry Jacobsen, Sheryl Kellermeier, William Kempf, Beth Knutson, Robert Lonergan, Mary McCole, Carmen Terry.

Freshmen: Dave Daniels, Diane Eichelberg, Jeff Grasser, John Holloway, Kristin Kiesler, Janet Kernen, Charlotte Kozak, Marilyn Pietras, Bonnie Pofahl, Dorothy Runge, Rochelle Schaeften, Pam Soer, Carl Vanderwerff, Connie Weis.

HONORABLE MENTION

Seniors: Lisa Backmann, Larry Benkstein, Patricia Beyers, Karen Maaske, Keith Niles, Chris Vlahakis, Ed Weis.

Juniors: Pam Davis, Barbara Dukowitz, Don Fox, Christine Klemp, Neil Lonergan, Kathy Rust, Beverly Smith, Lance Sundstrom, Bill Walker, Harold Wald.

Sophomores: James Hartnell, Jutta Kilokaltis, Lorrie Nau, James Olsen, Vicki Price, Len Sakalowski.

Freshmen: David Antes, Barbara Biehn,

Kay Hartnell, daughter of Mr. and Mrs. Richard Hartnell of Route 1, Box 605, Salem, Wis., received the DAR award at Central High School.

Miss Hartnell is a member of the FHA, having received her Junior and Chapter degree and is now working for her State Degree. Kay is active in the regular school band and the stage band, playing the saxophone.

In her church she is interested in the Youth C.A. group and teaches a Sunday school class. Kay also belongs to the Salem Pioneers 4-H club, serving as secretary and Junior leader.

HOMEMAKER OF TOMORROW Miss Peggy Turner, a senior at Salem Central has been named Betty Crocker Homemaker of Tomorrow as announced by the Home Ec teacher, Mrs. Jean Carlson.

In addition to receiving a specially designed silver charm from General Mills, sponsor of the program, Peggy is now eligible for one of 102 college scholarships totaling \$10,000.

A State Homemaker of Tomorrow will be selected, and she will receive \$1500 plus \$500 educational grant. After the 51 Homemakers of Tomorrow are selected, each accompanied by a school advisor will join for an expense-paid educational tour of Washington, D. C. We are proud of Peggy and wish her luck in her endeavor.

County Homemakers Are In Spotlight

Mrs. Peter Sneesby, president of Lake County Home Economics Extension Council, was elected to serve a 3 year term as District II Director of the Illinois Homemaker Extension Federation at the Annual Meeting held at the University of Illinois at Urbana, January 29 and 30. Lake County is proud to have Mrs. Sneesby as a member of the State Board.

Other honors received at this Annual Meeting was a bronze plaque awarded to Lake County for the greatest gain in membership.

Joan Daniels, Julie Engberg, Sue Grulich, Darlene Reiter, Mark Swack, Richard Zwirgdsas.

Lutherans To Honor Editor

Lutherans will honor Reverend Herman J. Otten, Pastor of Trinity Lutheran Church, New Haven, Missouri, and editor of the "Christian News," at a banquet on February 22, at the Marriott Motor Hotel, 8335 W. Higgins, Chicago.

A dinner committee of forty-five clergymen and laymen from thirty churches of the Lutheran Church-Missouri Synod in northern Illinois are hosting the dinner as appreciation to Rev. Otten for his faithful ministry of publishing information needed today to face the crises in Christendom.

Tickets to the dinner are \$8 per person and checks and reservations may be sent to Mr. Henry Meier, President, First National Bank of DeKalb, DeKalb, Ill., 60115, or contact Mrs. Ruth Klopfenstein, 906 Garfield Road, Harvard, Ill.

"Christian News," published weekly in New Haven, Mo., has readers in all 50 states and some 37 foreign countries. The newspaper is committed to the full historic Christian faith as it is authoritatively revealed in the Holy Scriptures. The testimonial dinner is an expression of appreciation to this noteworthy editor.

ship of any county in the state. Lake County also contributed the largest amount (\$377.50) to the Scholarship Fund and was awarded a gold seal for outstanding work in the International Activity.

Mrs. Helen Volk, Home Economics Extension Adviser, of Libertyville; Mrs. Warren Chard of Grayslake; Mrs. Gilbert Clem and Mrs. Frank Schneider of Gurnee; Mrs. Herman Stiehr of Waukegan; Mrs. Harold Gerry of Barrington; Mrs. Melbourne Mudd of Libertyville; Mrs. Elger Putnam of Lake Zurich; Mrs. Stanley Hatch, Sr., Mrs. Francis Gagnon and Mrs. Calvin Bracher of Mundelein also attended the meeting. Mrs. Mudd served on the Registration Committee.

All who attended this meeting enjoyed the opportunity to get better acquainted (the Lake County party lasted until midnight) and to tour the campus, especially the programs at the new Kranner Center for Performing Arts, Wardell Hall and the Union Building.

THE ANTIOCH NEWS—3
THURS., FEBRUARY 19, 1970

Under VA's policy on dental care, veterans may receive treatment without supporting military records if it is determined professionally — during the first eight months after discharge — that the condition is service-connected. However, the veteran must apply within six months after discharge.

(Next time, get draft-free, even, electric heat.)

There's something you really ought to know about flame heating systems: they cause drafts.

Air is consumed in the burning process. So, a draft is created that draws in dirty, cold air from outside.

Electric heat won't do that. Because there's no flame.

Which is why electric heat, and only electric heat, can promise you even, controlled heat that's free from drafts. So if you get that chilly, creepy feeling around your ankles on days when it's cold outside—well, we cannot tell a lie.

Your flame-system did it.
Commonwealth Edison Company

The bright new ideas are Electric.

Mrs. A. Johnson, from left, of Service Unit 17, Mrs. B. DeVries, Association Cookie chairman, and Mrs. I. Walsh, of Service Unit 16 pose with the cookies that the Girl Scouts will soon be offering for sale beginning on Feb. 27.

Girl Scout Council Holds Cookie Session

A Cookie Training Luncheon was held Friday at the Swedish Glee Club in Waukegan for the Association Chairmen and the Service Units of the Lakeview Girl Scout Council.

William Pratt of the Weston Biscuit Co. in Battle Creek, Mich., distributed cookie information and color-keyed sales aids to the ladies for use by Girl Scout Troops.

Since the Council choice this year involved a change in companies, there was also a change in procedure making the training session necessary; but the change will be a welcome one due to the addition of two new cookies. Added to the selection of mixed vanilla and chocolate sandwich cookies, the thin mints and sugared shortbread, there is now Frosties and Peanut Butter Patties. The Frosties are a graham cookie coated with maple flavored icing and topped with corn flake bits. The new Peanut Butter Patties are a vanilla cookie topped with a large dab of peanut butter and entirely coated with chocolate. All cookies are made with pure vegetable shortening.

Mrs. William Dominick Council President introduced two new young Field Directors, Susan Rockwell and Suzy Demme have been added to the Lakeview Council staff and both come highly qualified.

A brief mention was made to "Action 70," the new nation-wide Girl Scout undertaking "to know, to care, to become" involved in building better relationships among persons of all ages, religions, races and nationalities.

With a well equipped staff, enthusiastic volunteers, a good theme to live by and public encouragement for those girls in green, 1970 will be a good year.

AWANA CLUB TO MEET ON TUESDAYS

Boys and girls of the Antioch Evangelical Free Church Awana Clubs will each meet the same night beginning Tuesday, February 24 at 6:30 at the church. Mrs. Robert Brant is in charge of the girls, Awana. Mr. Lyle Wilson is in charge of the boys' group.

Some 40,000 babies are born every year with Rh incompatibility disease, reports the March of Dimes.

Flowers, Weeds In Show

The lush beauties — and the pesky beasts!

They'll be there in a striking contrast of about 28 all-America annuals, some 20 turf grasses and about 20 bothersome weeds, in an exhibit by the University of Illinois Horticulture Department, at the 1970 World Flower and Garden Show, March 7 to 15.

Now in its 12th year, the Flower Show will be held at the International Amphitheatre. Theme of this year's show is Spring into the '70s.

Held in conjunction with the university's Cooperative Extension Service, the exhibit is being coordinated by Dr. Marvin C. Carboneau of the Horticulture Department and will be the first special display of all-America annuals at the Flower Show.

The exhibit of all America annuals will include selections of flowers that have won that title over the past 10 years. All-America annuals awards are made by the board of directors of the American Seed Trade Association, a group of North American seed traders. Candidates for the all-America title are grown at 30 stations in the U.S., Canada and Mexico. All-America annuals are kinds that can be grown in all parts of the U.S. The Flower Show exhibit of these award-winning flowers is the creation of the university's Floriculture Department.

The turf grass display at the Flower Show will be of the kinds that can be used by homeowners and others in the Chicago area, including some new varieties, as well as the weeds that cause so much trouble. Manning this segment of the display will be members of the Horticulture Department and the Illinois Turf Grass Foundation, a group of professional lawn keepers, sod growers and suppliers, who will identify weed problems for visitors to the exhibit and offer solutions.

Located at 43rd and Halsted streets, the International Amphitheatre adjoins the famous Stock Yard Inn. It can be reached from all expressways leading into the Dan Ryan Expressway. Protected parking facilities have been expanded to accommodate 6,000 cars.

Girl Scout Cookie Time Near

It's just about Girl Scout Cookie time again. The Lakeview Girl Scout Council is pleased with their cookie selection this year. They've made a change in the cookies and know the public will be pleased.

A few Girl Scouts from Antioch with the cooperation of Mrs. Bernard DeVries, the West Association cookie chairman, presented Antioch Mayor Toft with pre-sale samples.

The sandwich cremes, the thin mints and the sugared shortbread are the same, but the Frosties and the Peanut Butter Patties are completely new and they will be only available through Girl Scouts.

The Frosties are a graham cookie frosted with a delicious maple flavored icing topped with corn flake bits. The Peanut Butter Patties are vanilla cookies topped with a dab of peanut butter all hidden under a chocolate coating. All five varieties are made with pure vegetable shortening.

Despite rising costs, Girl Scout cookie prices remain the same. Girls receive a nickel a box to use toward various troop activities.

It might be interesting to note that if cookies were converted, it would take:

833 boxes equal 1 canoe
2800 boxes equal one tent plus platform
1660 boxes equal one patrol box and equipment
1800 boxes equal one sailboat
120 boxes equal on camp cot and mattress
80 boxes equal ten feet of camp road.

After school on February 27, Girl Scouts of the Lakeview Council will be ringing your doorbell. Please give them your support.

bered on other occasions, and on his birthday.

The remainder of the evening was spent in playing card games.

A successful bone marrow transplant to correct an immunologic deficiency, performed by a March of Dimes medical research grantee, has given a two-year-old boy a new lease on life.

Plan Visit To March Flower Show

Add some spice to your life! Now is the time to plan a visit to the Garden Club of Illinois Flower Show "Season with Flowers" to be presented at the International Amphitheatre, 42nd and Halsted, Chicago, March 7 through 15, in conjunction with the Chicago Flower and Garden Show.

Preparing for its tenth consecutive State Standard Flower Show, the Garden Club of Illinois Flower Show Committee headed by Mrs. Eugene J. Tamillo of Des Plaines is generating a beehive activity. Creating new staging treatments is Mrs. Robert E. Clark, Evanston, designer of this year's show. Mrs. Tamillo will be assisted by Co-chairman Mrs. Donald Kempf, Deerfield.

Ivy covered trellises will flank the entrance plantings executed by the Landscape Design Critics Council under the leadership of Mrs. A. A. Sobolik, Jr., Elmhurst, Salix Tortuosa (Corkscrew Willow) and variegated coleus in combination, Cornus Stolonifera Kelsey (Dwarf Dogwood) and Lonicera Claveyi Nana (Dwarf Honeysuckle) vividly display the value of contrasting color and texture in planting beds. A second area will feature the hardy Betula Nigra (River Birch) with white flowering Wax Begonias. In addition, Mrs. Sobolik has designed an herb garden with the small homeowner in mind.

Schedule Chairman, Mrs. John Baylor of Northfield and her committee invite you to sample recipes such as "Summer Savory and Saffron," "A Ginger Mood" and "A Dilly Dilemma" for creative designs. Other categories will inspire exhibitors to compete for Tri-Color, Creative and Special "Season with Flowers" Awards.

The always popular table section covers the menu from soup to dessert. Other tables will have hospitality as inspiration; bachelorette and kitchen buffets or late supper settings.

High school and Junior Gardeners under the leadership of Mrs. Charles H. Stinson, Kankakee, and Mrs. Charles Dushek, Lisle, respectively will be an important ingredient for the floral recipe.

Horticultural entries will be accepted from all ages. Whether you are an avid gardener or an interested spectator, the Horticultural Division with its forced flowering branches, orchids, pot plants and collections of succulents and cacti is lovely to look at and educational.

A new innovation to look for... The Garden Center. Show schedules, speaker's lists, herb garden planting tips and usage, National Gardener Magazine and many other items of gardening interest will be available.

For those regular praying mantis and ladybug patrons, Mrs. George Gardner's Scholarship Booth next to the Garden Center will supply your needs to control the bad bugs of your home grounds.

Several of the feature attractions which should not be missed will be the educational displays of nuts and cones by Mrs. Brooks Fuller, LaGrange, and fungus samples by Mrs. Otto Gursch, Bensenville; Mrs. Raymond Rohde's (Maywood) Ways and Means Booth and the specialty items made by the Abraham Lincoln Memorial Garden Auxiliary.

Hundreds of local garden members throughout the State will be involved in staging, exhibiting, hosting and working in many other capacities to insure a beautiful and educational flower show.

Fashions And Dinner Is On Agenda

The Emmons School Parents Club will present a dinner and fashion show at 6:30 p.m. on March 5 in the Antioch Country Club. The theme will be "Think Spring."

Fashions will be shown by the Godey Girls of Wilmet, Wis., and Stanley's Men's Fashions of Antioch. Gloria Davis of the Godey Girls will narrate.

Tickets are available from any committee member, at the school or at the door. Ticket chairman is Mrs. Ronald Marotta of 395-2429. Chairman of the event is Mrs. Charles Vesely.

Models for the fashion show will be Mrs. James Kramer, Mrs. Daniel Maras, Mrs. John Kakecek, Mrs. George Hall, Mrs. W. C. Petty, Miss Lynn Hall, Miss Linda Lagerstrom, Harry Lindgren, George Hall, Victor Denning and John Romer.

Call 395-4111 to place a Society or News Item.

Where The Boys Are

Zoll

SAN ANTONIO—Airman Frederick A. Zoll, son of Mrs. Leroy Zoll of R.R. 1, Antioch, has completed basic training at Lackland AFB, Colo., for training in the munitions and weapons maintenance field. Airman Zoll is a 1969 graduate of Antioch Community High School and attended Lake County College, Graylake, Ill.

Social Notes

By Del Jahneke

Seven snowmobiles a/sliding over the snow, many tumbling toboggans, and ice skaters with the score, had the "Under Forty Couples Club" in a fine uproar! Some forty young people from the Antioch Evangelical Free Church enjoyed a Snow Party in the Antioch Lake vicinity recently. Afterwards, everyone warmed up with delicious hearty fare at the Alan Knutson home.

Members and friends from this church had another pleasant outing, when some 35 people celebrated their annual Valentine Day's Dinner Party at the Bristol Oaks Country Club, Bristol, Wis., on Feb. 13.

Mrs. Frank Kennedy had a nice surprise last Thursday when her two nieces, Mrs. Peter Roman and son Michael, and Mrs. Leo Elfering with her daughter Sandra, all from Libertyville, dropped in for an afternoon visit.

Sandra Hoffman, daughter of the Karl Hoffmans, Channah Lake, had her third birthday celebrated with some fifteen children and their mothers, on Feb. 7. This was one birthday party where each young guest received a beautiful hand painted cup and saucer, with their name painted in gold on it—thanks to Mr. Hoffman's handiwork!

Sunday dinner guests at the home of Mrs. Walter Buchert were Mr. and Mrs. George Borgwall of Spring Grove.

Mrs. Charles Ferris, Beach Grove Road, is a patient at the Mayo Hospital in Rochester, Minn., undergoing tests. Best wishes for a speedy recovery.

An exciting evening was enjoyed by the Bernard Stadicks when they attended the Evnrud Moonlight Night Party, held at Big Bend, Wis., recently. They were accompanied by three other couples from Waukegan. There were 600 snowmobiles all lined up to follow a regular route over hill and dale, with the last stretch of the 11 mile trek on the frozen Fox River. When they reached their destination, they saw huge bonfires with bratwurst sausages, hot dogs, hamburgers, hot coffee, etc., and everyone "set to" with a healthy appetite. Afterwards, when the four couples reached Antioch, they all had another snack at Tony & Lill's Restaurant.

Some twenty-five girls of the Junior Girl Scout Troop No. 144 held a "Valentine Love In" slumber party at the Antioch Scout House, last Friday night and Saturday. The girls prepared their own breakfasts and luncheon on Saturday. Candy Bailey won first prize in their Teddy Bear Contest. Ice skating was another happy "chore" for these girls. Overseeing all the fun and games were leaders, Mrs. Elizabeth Wright, Mrs. Dan Martin and Miss Margaret De Vries.

Pot Luck Supper

Carmel High School Mothers' and Fathers' Clubs will hold a potluck supper on Tuesday, Feb. 24th, at 6:30 p.m. in the school cafeteria. Mrs. Grace Loesch, refreshment chairman, will be in charge. A short business meeting is planned.

The VA in January increased from \$3.50 to a maximum of \$7.50 the rate it pays to states for veterans receiving care in hospital facilities which meet VA requirements.

Harvard Players To Emote

An unusual treat is in store for theatre fans of this area. The Harvard Players of Harvard, are in rehearsal for a March production of "Hamlet." Under the directorship of Loren Ingram, the Shakespearean play is taking on a new look. Mr. Ingram describes his treatment as an 007 light approach to violence, sex, and death.

As a result, it is a 20th Century "Hamlet" that will be produced. The costumes will be MOD, interpretations of roles light-hearted, and staging that extends right into the audience.

To make this even more an area production, actors have been assembled from Orfordville, DeJavan, Fontana, and Harvard. Even a corp of students from Northwestern Military Academy will be used. Harvard, thus, becomes almost a melting pot for area actors. Certainly the Harvard Players is taking on the role of patron of the arts since this is the third Shakespearean play they have attempted. Previous classics have been "Romeo and Juliet" and "The Taming of the Shrew."

Performances will be at the Harvard High School on consecutive weekends. Opening night will be Saturday, March 7 at 8:00. Other performances will be Sunday, March 8 at 2:00; March 14 at 8:00; and March 15 at 2:00. Reservations may be made by calling 943-5084. Groups should make reservations early.

Co-op Club Meetings Set

A new series of classes in the graphic arts will be offered by Mrs. Robert Zinn. Classes will convene in the basement of her home, 20 N. Elmwood Avenue, Waukegan, at 12:30 p.m., beginning on Wednesday, March 4th. They will run for eight consecutive Wednesdays.

Sketching in ink and charcoal, silkscreening, and linoleum block printing will be among the many media presented.

Anyone interested in registering in the class may call Mrs. Zinn at DE 6-8164.

The CO-OP Needlecraft Club will hold its regular meeting in Pioneer Hall, 2424 Washington Street, Waukegan (in the basement of the CO-OP Food Center) on Monday, Feb. 23rd at 7:00 p.m. Project for the evening will be the making of a Bath Towel Jacket. Each one should bring two 24"x48" fringed bath towels, needle and thread and scissors.

Mrs. Lawrence Ross will have the pattern available and direct the project.

Mrs. Leo Gunn, president, invites any interested lady to come. The CO-OP Travel Club will hold its regular monthly meeting in Pioneer Hall, 2424 Washington Street, Waukegan (in the basement of the CO-OP Food Center) on Tuesday, Feb. 24th, at 7:30 p.m.

Robert Zier of Kenosha, Wisconsin will present a program on Puerto Rico.

Gary Anderson, president, invites the public to attend. Itineraries for the Sept. trip to Alaska will be presented.

Secret Pals Are Revealed

The Royal Neighbors Olson Camp No. 459 met at the American Legion Hall on Feb. 10.

The flag was presented by Effie Nelson and all pledged allegiance. Irma Hostetter announced she had a PERFECT OFFICER attendance. Thanks to all. Bills were drawn and paid. A box of fruit was sent to Christie Olson during her illness.

The Secret Pals were revealed and a gift exchange was held. Everyone enjoyed the delicious desert and then played cards, a pleasant evening enjoyed by all. The next meeting of the Royal Neighbors will be Feb. 24 at 7:30 p.m.

By Fran Boxley
On Thursday, Feb. 19, the Antioch Women of the Moose will hold their regular business meeting at 8 p.m. Following this meeting the Library and Child Care Committees will have a cake walk. Come and give them your support and have some fun.

BROWNIE NEWS

Brownie Troop 60 enjoyed a visit to the Lake Villa Fire Department recently with their leaders, Mrs. Joy Manuel and Mrs. Eadie Dunn, and two mothers, Mrs. Dolores Walsh and Mrs. Fran Lambert who helped drive the 18 girls there.

Winsor Dalgaard showed the group all the fire equipment, including the original fire engine, that is 38 years old, but looks like new, due to the care it receives. All the equipment is washed and polished every Thursday, and each time it is used after a fire or false alarm.

The old engine is used for water fights. Dalgaard answered all their questions and showed them how to dial the operator in case of a fire, and also told them safety measures.

WOMEN'S CLUB

The Lindhurst Women's Club met Thursday, Feb. 12 at 8 p.m. at the Lindhurst Civic Center.

A cosmetic demonstration followed the business meeting. All ladies in Lake Villa Township are invited to join the club.

GARDEN CLUB

The Lindhurst Garden Club met at the home of Mrs. Nancy DiGiovanni, 208 E. Briar Lane on Tuesday, Feb. 17. A movie on conservation was shown. Ladies were asked to bring items for a White Elephant Sale.

ALTAR AND ROSARY

The main business discussed at the February meeting of the Prince of Peace Altar Rosary Sodality was having a Salad Bar Luncheon and Card Party on April 15, to be held at the Lake Villa VFW Hall on Grand Ave.

BIRTHDAYS

A very happy birthday is wished to Cindy Mauch, Wendy Mulan, Dorothy Golden, Harley Jenevieve, twins Mary Rebecca and Mary Renee Wolff, Carrie Ray, Cordy Wick, Paul Spiegle, Dennis Stanley, Norman Eberle and Jeffrey Slading.

ANNIVERSARIES

Feb. 14 was the 22nd wedding anniversary for Milton and Evelyn Lazansky.

DIAPER SET

Mr. and Mrs. Robert (Darlene) Doerflinger, 403 Northgate, Seven Hills, welcomed their third daughter and sixth child Jan. 18.

LENTEN SERVICES

To make Lent meaningful, you are invited to participate in the Eucharistic Celebration (Mass) at Prince of Peace Church at the 7 or 8:15 a.m. Mass on Monday, Thursday and Friday. Or in the evening, at 7:30 p.m. on Wednesday and Saturday.

Lenten Services Scheduled

THE NAIL OF PRIDE is the theme of the second in the series of Lenten Services being held at St. Stephen Lutheran, The Church on the Hill, Route 59 and Hillside Avenue, Wednesday, Feb. 18, at 8 o'clock.

Each Lenten Service is one-half hour and is followed by a fellowship period with coffee served.

Pastor Philip O. Laurin invites members and friends to worship at these mid-week services at this most meaningful period of the year.

Special notice to all officers, appointed officers, chairmen, and any member interested in helping our chapter to have a good showing at Mid Winter Conference. There will be a Ritual Practice on Feb. 28, to get ready for this very special day. Please try to attend—we can use your help. Following this practice will be a meeting of the officers, appointed officers and chairmen to make plans for our Chapter project to be held in May.

Fr. Eugene Keusal

Fr. Keusal To Attend Seminar

During the week of Feb. 23-27 the Center for Pastoral Ministry of the Archdiocese of Chicago will hold a study week for priests on communication that is aimed at improving "contemporary ministry" through the study and application of effective mass communications techniques. The study week will be held at St. Mary of the Lake Seminary in Mundelein, Ill.

There is a "crisis in the pulpit" and it seems to revolve mostly around the content and quality of preaching. That's the view of Father Willard F. Jabusch, professor of homiletics at St. Mary of the Lake Seminary. "We hope," he added, "it serves as a shot of adrenalin in the priests' creative abilities so they will go back to their parishes and communicate the Gospel message to their people in a much more effective way."

Attending the study week on communications will be Father Eugene L. Keusal from St. Peter in Antioch. This will be the third such study week Father Keusal has attended since he was assigned to St. Peter's in June of 1968. The first study week was on "new theology" and included communications, philosophy, history, the church, scripture and liturgy. The second study week in December of 1969 was titled "Theology 1969: Highlights."

Father Keusal was ordained on May 1, 1961 at St. Mary of the Lake Seminary at which time he earned a Master of Arts Degree in Theology. At the present time he is also attending psychology courses at the seminary.

Bishop Thomas J. Grady, Auxiliary Bishop of Chicago and Chairman for the Committee on Priestly Formation is also usually present at the study weeks to encourage priests to continue their education after ordination.

Ladies Night

The Antioch Lions Club Ladies Night will be held Saturday, Feb. 21 at the Antioch Country Club.

This is an annual event for the benefit of the ladies.

Tickets are available at the State Bank of Antioch, Antioch Savings & Loan Association, and the First National Bank.

It's easy to place a classified—Just dial 395-4111.

Set Look Is Out: Georgia

Georgia's Beauty Shop at Rtes. 59 & 173 (formerly Jacques' & Georgia's) is the largest shop in this area. Georgia Adams runs her shop with the able assistance of Nancy Baner and Doris Christenson.

Georgia is looking forward to spring, and the new medium length hair styles. She points out that this year's fashion will run to soft contour waves and curls with a natural and not a set look. But she also added that the choice of a hair style is an indi-

New Hair Styles For Spring Are Designed To Help Pop The Question

By Constance Charin
To help him pop that all-important question this Spring, wear one of the new Question Mark hair fashions, suggests the

visual thing. She advocated that every woman should have the hair style most suited to her personality. The hairdo should blend in with the overall look of the woman and the crowning glory should accent the overall picture. Wigs and wiglets are still a necessity and Georgia advocates that every woman should have them included in her wardrobe.

Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association.

At least, we're advised by this hair fashion authority of the beauty profession, you can rest assured that the new question mark look is so romantic that it will turn a young man's fancy, or any man's fancy, to Spring thoughts.

However, the name of the new styles really has nothing to do with any eternally feminine riddle. The name really has been derived from the silhouette that outlines the back of the head in a profile view of the styles. Beginning at the top of the crown, down to a nape that has been elongated with squiggly tendrils, the question mark delineates the head like a graceful scroll that gives an elegantly balanced small head look.

The new styles were previewed before several thousand hairdressers from all states meeting in Hartford, Conn., in advance of their public presentation.

All of the styles shown at the professional preview, had a look of almost super softness and a natural flow of waves, and curls that continue the happy trend of close harmony between clothing and hair fashions.

The waves were not definite, more of a hint of wave moving freely and fluidly, while the light and unconfined curls assumed all sizes and shapes, either open, closed, looped, or bouncy, and they squiggled, spiraled, dangled or seemed to fall in all directions.

From either the front or the back, the new styles have the slender shape of an elongated oval. Crown height was built up with many tossed, carefree, tumbling curls, the amount varying from model to model. Generally, greater height was used with evening wear. Hair pieces of tossed curls were used frequently for crown embellishment in both day and evening styles.

Hair around the face was arranged in soft waves as frequently as it was dressed into varying combinations of tendrils or loose curls. Most effective and newest was the use of smoothly waved

areas contrasted by touches of delicate curls. Both open and closed foreheads were included, in answer to individual preference and need.

Hair length for Spring is no hang up, since it, too, depends upon individual needs. But usually it will be rather short, so that its length can be varied at your own wish with added hair pieces. At the nape, it is the shortest, from one inch to three inches, depending upon the length you want for your squiggly tendrils. Sides varied from three to three and a half inches, and crown hair approximately five to six inches.

Far more important than hair length is the haircutting, which has to be done expertly, so that it will let your hair move and dance, and always bounce back where you want it. Another highly important requirement is professionally permanent waving especially prescribed to give the necessary softness and stability needed for easy care and wear.

Hair coloring for Spring adds soft reflections of light to your hair, as well as an inner glow that gives depth and a natural look of richness. Blonde shades of the most delicately pearly dove and fawn tones will vie with tawny and buttercup, as will doe and mink browns. Golden reds will shimmer for attention, and all will be a combination of several tones blended together for a total effect.

In make-up, the natural look has really come into its own, but

Garden Club Meets Feb. 23

The Antioch Garden Club will meet on Feb. 23rd at 12:30 p.m. in the Antioch Savings and Loan Building.

The members of the Garden Club feel very fortunate to have the honor of looking Mr. Robert W. Elch for their next meeting.

Elch, a member of the Royal Horticulture Society, is in great demand by garden clubs across the nation. Aside from the common interest of gardening he has with his audiences, his lectures are of great educational value.

It's a soft look. Face powders are transparent, and eyes are soft, balanced by redder lips that glow with irresistible shimmer. The softer eyes call for a softer and well-shaped brow line. This soft eye is a wide opened look for any question in 1970.

THE ANTIOCH NEWS—5 THURS., FEBRUARY 19, 1970

His program entitled "A Year of Gardening" will explain, step-by-step, all phases of gardening from January to Jan., and will be supplemented by a 16mm movie film. His tips on good gardening procedures will be most timely as the members start planning for their spring plantings.

Proceeding the program, President Mrs. Clarence Spiering will call the business meeting to order at 1:00 p.m.

Refreshments will be served by the hostesses, Chairman Mrs. Clarence Klenz, assisted by Mrs. Donald Purdy and Mrs. Albert Weighart of Zion, at 12:30 p.m.

Thousands of young people in the Teen Action Program (TAP) of the March of Dimes across the country serve in the fight to prevent birth defects.

Fashion Styling Featured

Mr. Arnold's Coiffures in the Savings & Loan Plaza is featuring deep waves, natural curl and natural look. Mr. Arnold and his assistant June Staffon are ready to meet your requirements for a new spring hairdo.

According to Mr. Arnold deep waves, natural curl, and natural look is "in". Sides are longer, and the bias cut is still popular. European styles are also featuring medium length hair.

Mr. Arnold also states that the popular wigs and wiglets are still an important part of the modern woman's ensemble.

Mr. Arnold features high fashion styling and can be seen by appointment.

The Spring Secret Coiffure A "QUESTION MARK" HAIR FASHION FOR SPRING, 1970

A question mark outlines the back of the head in this Spring Secret Coiffure to mark it as one of the new Question Mark hair fashions designed for the season by the Official Hair Fashion Committee of the National Hair-

dressers and Cosmetologists Association.

The outline of the question mark is traced from the top crown area down to an elongated nape in a profile view of the style, which was shown throughout the country during National Beauty Salon Week.

Note the look of almost super

softness and the natural flow of waves and curls in this style. This continues the happy trend of close harmony between clothing and hair fashions.

Expert haircutting and professional permanent waving are necessary to get the softness and stability needed for easy care and wear.

The Spring Mystery Coiffure A "QUESTION MARK" HAIR FASHION FOR SPRING, 1970

This Spring Mystery Coiffure combines smooth waves and delicate tendrils for added contrast interest. It is one of the new Question Mark hair fashions designed for the season by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association.

The back of the head in a side view has the outline of a ques-

tion mark, traced from the top of the crown down the back of the head to the tendrils at the nape.

For more contrast, the curls at the crown can be fashioned with more bounce, depending upon individual taste and preference.

A basic need of the style, though, is expert haircutting and professional permanent waving, which supply softness and stability.

The Spring Quiz Coiffure

This Spring Quiz Coiffure is a fun style of bouncing, squiggly curls that descend from a hairpiece at the crown. It is one of the Question Mark hair fashions that was shown throughout the country during National Beauty

Salon Week.

Designed by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association, it is dressed into a softly flowing style of waves and curls when worn without the fun hairpiece.

Expert haircutting is needed for your own hair, as well as for the hair piece, for this quick change combination. Soft professional permanent waving is needed for your hair, too, for easy care and wear.

Softness, Stability Are 'In'

Clara Merryman, owner of Clare's Beauty Salon, 400 1/2 Lake Street, suggests the new silhouettes that are being featured for this spring's hair styles.

A basic need in these styles is expert haircutting and professional permanent waving which supply the necessary softness and stability. Clara and her assistants Gail and Cee are skilled stylists, ready to serve you.

Clara also is interested in Senior Citizens and has special rates for them. She says that there is a "Special Rate just for you. We want you to be beautiful, too."

Wigs are still in the foreground and she has a complete line to choose from. With the look of almost super softness and a natural flow of waves and curls Clara is sure that the happy trend of close harmony between clothing and hair fashions will continue.

Natural Look Is Style

Flo's Beauty Shop is at Route 59 and Grass Lake Road and the direct route to a beautiful new hairstyle for spring. Flo Heisel is the owner of this modern shop and working with her are Kathy, Mary Kay, Sherrill and Linda.

The natural look is the style for spring with the new Spring Quiz hair fashions. Hair will be medium length with soft natural curls. Wigs and hairpieces are here to stay. Flo states that many women are using the hairpieces not only as a full cover but to enhance their own hair.

Expert haircutting is needed for your own hair as well as the hairpiece. Soft professional permanent waving is needed for easy care and wear.

SPORTS

THURS., FEBRUARY 19, 1970

THE ANTIOCH NEWS-6

Antioch Sinks Grayslake

Before a full house, on Parents Night, the Antioch Sequoits beat Grayslake 81 to 72. Jeff Sterbenz grabbed a career high of 23 rebounds, plus he added 18 points to help lead the Sequoits to the victory. Keith Bolton scored 34 points, his career high, and he also grabbed 16 rebounds.

In the first quarter, Grayslake moved out to an early lead as they hit for eight baskets on 15 attempts. But the Sequoits didn't lose their cool, thanks to some fine rebounding and some scoring from Tom Martin. As the quarter closed, the score read Grayslake 21 - Antioch 16.

During the second quarter, the team worked the ball inside against the Grayslake zone and Bolton responded with 5 baskets. With Sterbenz rebounding for a couple of baskets, the Sequoits pushed through 25 points, while Grayslake could connect for only 12 points. The strong rebounding and over-all fine play all helped the Sequoits in this fine surge.

The third quarter was rather slow, with Grayslake holding a slight scoring edge, 13 to 12. Neither team could hit from the field, the Sequoits hit 4 of 21 attempts, while Grayslake hit 6 of 15 attempts, certainly not very good shooting.

The fourth quarter just the opposite of the third quarter, with each team hitting very well from the field. Doug Stickels was the big gun for Grayslake during the quarter, with 6 baskets, but the Sequoits power house was too much for Grayslake.

The leading scorers for Antioch were Bolton with 34 points, Sterbenz with 18 points and Tom Martin with 13 points. Tom Wilkins lead Grayslake in scoring with 18 points. The all-important rebound department was lead by Sterbenz with 23, followed by Bolton with 16. Mike Brennan lead Grayslake with 10 rebounds.

Schneider To Head Ski Meet

Carl Grebe, Central Division U. S. Ski Association president recently announced that Ohmar Schneider, Boyne Country Ski School director would be course master for the FIS slalom ski meet to be held at Boyne Mountain Feb. 21.

Schneider will set the 50 gate slalom course to test the mettle of international amateurs competing for FIS points to improve world ski championship standings on Hemlock run recognized as the mid-west's most challenging ski slope.

He is well-qualified for the assignment, being an Olympic gold medalist in slalom and recently course-setter for the FIS meet at Portillo, Chile. Schneider is also cooperating with Olympic officials in preparing for the next Winter Olympics in Japan.

This is the first time a ski slalom meet of international magnitude has been scheduled in Mid-America.

Boat Show To Be Held In March

The Midwest Boat Show will steer a new course this year. The show, which will run for ten days from March 6 through March 15 will:

1. Be directly sponsored by marine dealers.
 2. Be the first held at the new Arlington Park Convention Center.
 3. Will add a broad reach for conservation in the 70's.
- "The Midwest Boat Show will feature the new boats and equipment the public wants to see," said Edward Hansen, Chairman of the Board of the new exposition. "All of the show's sponsors are marine dealers in the Chicago area. Our object is to showcase what we know the people are anxious to see in a hall that is convenient and clean and attractive." He said commitments have already been made to show such famous names as Chris Craft, Owens, Pacemaker, Trojan, O'Day, Larson, Evinrude, Starcraft, Mercury, Glastron, Thunderbird, Johnson, Slickcraft, Westerly, Thompson and many, many others.

This will be the first boat show at the Arlington facility, but it has already been the site of several other successful expositions. "Arlington is within easy access of almost every corner of Chicagoland," said Hansen. "There are acres of parking, restaurants, for every pocketbook, and most important, all of the top brands will be on display."

The building, now operated by Gulf & Western, was only recently made available to shows, but has proved its popularity as a display center. The theme of conservation was emphasized at a launch meeting for the Show on Tuesday, Feb. 3, at the Arlington Towers Hotel. Jerry Panas, whose firm is handling arrangements, told the dealers and exhibitors: "Ours is the only major industry whose immediate livelihood is dependent on preserving a livable environment. We welcome the President's leadership in anti-pollution. Water sports are increasing more rapidly than any other recreational activity. "The boating industry carries at once the great yearning for the freedom of spirit of bright air and open water and for a total commitment to their conservation." Mr. Panas went on to describe the many activities of the Show, which will combine concern for "clear sailing" and clear water.

Hansen pointed out that the new accessible facilities and the great appeal and importance of this year's Midwest Boat Show will add greatly to the attendance. He promised modest prices will prevail. Admission will be only \$2.00 for adults and 75c for children. In addition, many participating marine dealers will have tickets available at special rates in advance of the show.

Little League Needs Managers

The Antioch Little League has three openings for managers of Little League and Babe Ruth teams for 1970.

Anyone interested in applying for the job should attend the Little League meeting at the Antioch Fire Station at 7:30 p.m. on March 5 or call Little League President Bob Caldwell at 385-0455.

Sequoits Stymied By Zion

On Saturday night, before a packed house, the Zion-Zee-Bees displayed some fine basketball in beating the Antioch Sequoits 95 to 64. "They are really a great team," quoted Coach Andrews. "If anyone is going to beat Waukegan, Zion will. They have everything it takes to be a real challenge for the state title," added the Sequoits coach. "I am proud of our team; they took the game to Zion and on a couple of occasions lead Zion by five points in the first half. Keith Bolton played one of his best games against a great team. Their speed and physical strength really tired our team, and in the second half the Zee-Bees just pulled away from us," concluded the Sequoits mentor.

Keith Bolton lead all scorers with 25 points, with Marty Romaine adding 17 points to the Sequoits total. Zion had 5 players in double figures, C. White with 18, Collins with 10, Eddie White with 12, Fredrickson with 16 and Czopiwsky with 16.

The rebounding was close with Antioch grabbing 36 rebounds and Zion had 42—the big factor in the victory was Zion's ability to hit from out and the number of shots Zion took 100 to 61 for Antioch.

Emmons, Grass Lake Each Win

The Emmons Grade School basketball teams split a double header with Grass Lake Grade School on Tuesday, Feb. 10.

In the first game, the Emmons Fifth and Sixth Grade team beat Grass Lake with a score of 15-9. John Bodin was high for Emmons with 6 points. Morrison scored the most for Grass Lake with 4 points.

The Grass Lake Seventh and Eighth Grade team won the second game over the Emmons Raiders' Seventh and Eighth Grade team. At the end of the first half, Emmons was leading 11-9, but Grass Lake came back in the second half to win 34-21. Bobby Dodd was high scorer for Emmons and Bailey for Grass Lake.

Antioch Sophs Win Two

The Sequoia Sophs ended up on the long end of the scores in two home games last weekend. On Friday night they beat the Grayslake sophs 80-46 and then on Saturday night they edged Zion-Benton's sophs 60-58 in overtime.

The two successes were due to strong rebounding by Pat Michalak, Ken Tell, Mike Michalak, Bob Huebner; high scoring by Doug Camp (31 and 20 points on the respective nights); and the excellent play-making of Tim Mleure.

Entry Forms Available For Dog Show

Entry forms and premium lists for the nation's largest dog show—the International Kennel Club Show—are now available for the public. The International is scheduled for April 4 and 5 at Chicago's International Amphitheatre under the sponsorship of the International Kennel Club, with show chairman Mrs. C. Groverman Ellis, Francesstown, New Hampshire.

The International was recently named the nation's "best" dog show for 1969. It was the largest show in America in 1969, with more than 3,400 total entries. Featuring 115 different breeds in the two day bench show, the International has set as a goal for 1970 an all time record entry.

A panel of 25 judges will officiate at the 30th annual International, with Harry Peters, Jr., New York, N. Y., selected to pick the Best in Show winner for the 1970 show.

The International Dog Show encourages participation of both the professional and non-professional dog exhibitor. It is truly open competition, with anyone having the opportunity for the Best in Show. Field trials, obedience classes, junior showmanship classes and junior dog judging contests are just a few of the added features to classes in sporting dogs, hounds, working breeds, terriers, toys and non-sporting breeds.

Stock Car Season Is Nearly Here

The stock car racing season is now less than two months away for Chicago area fans as the Waukegan Speedway has scheduled its opening weekend of late model events for Saturday and Sunday, April 11 and 12. Again this season the Waukegan Speedway will be the first area track to open and they will likely draw a star-studded field of area late model pilots.

Actually the first event on the calendar is the annual owners and drivers meeting where the final details of the upcoming season will be discussed. This year the meeting will be held Sunday, March 8, at 2 p.m. in the Lake Villa, Ill., VFW Hall.

The Speedway will be running under a freshly released set of rules in 1970. Although the rules do not depart radically from past policy, there are changes in the late model super stock and the hobby stock specifications as well as several new or revised track policies. A copy of the new rules is available for 50c by writing the Waukegan Speedway, 3305 Washington St., Waukegan, Ill. 60085.

Possibly the biggest change in the late model super stock regulations is the increased tire sizes which will be allowed. No actual tire width is specified this year; however the rim size, inside bead measurement, has been increased to 12 inches.

This change should accomplish two important things: 1—it will eliminate disputes over tire size limits because the tire is worn or low or high on air pressure, and 2—it will allow for tires near the "steam-roller" size which will contribute to lower lap times.

Also to be discussed at the meeting will be some different track policies, included in this will be a revised championship and pay point system, a slightly revised order of events and a new method of qualifying for extra length feature events.

And promoter Gordon Sill also has indicated there will be an important announcement for those owners and drivers who will be supporting the Waukegan events on both Saturday and Sunday nights throughout the season. Sill is reluctant to release the details until the meeting although he maintains the plan has been worked out for some time.

St. Peters Tourney Winner

The 8th Grade Squad of St. Peter's won the first round in the 5th Annual K of C Tournament held last weekend at Carmel High School in Mundelein.

There are two divisions, with 16 teams in each. The tournament lasts for two weekends.

The St. Peter team was pitted against St. Colette's of Rolling Meadows. Mike Gutowski was high scorer with 12 points, and Frank Abderholden had 10 points.

St. Peter 7 34 43 53
St. Colette's 2 8 18 30
Final score was 53-30. The boys will play again Feb. 21 at 12:15 at the Carmel gym. If they win, they will play in the semifinals on Sunday morning. Don Pyles is the coach of the St. Peter's squad.

St. Peter's 6th, 7th Grades Lose

The 8th Grade squad was the only team to come away with a victory on Feb. 15th. They beat the St. Joseph's Worker team by a score of 51-34. High scorers were Mike Gutowski, 17, and 10 points each for Jim Shostak and Tom Warner.

St. Peter 21 37 45 51
St. Joseph 4 12 26 34
The 7th graders didn't fare quite so well. They went down to defeat by a score of 39-27. Kevin Walpole was high man with 10 points, and Joe Cermak next with 9 points.

St. Peter 1 3 15 27
St. Joseph 7 18 33 39
St. Peter's 6th grade team went down to defeat, after a well played game. The boys really got close in the second quarter, but were unable to keep up with the fast-paced "chargers" of Wheeling. Joe Cermak was high scorer with 9 points, and Tim Shepherd next with 6 points.

St. Peter 3 11 16 18
St. Joseph 8 12 20 34
There is only one game left in the season, and it will be played this Sunday, Feb. 22 at St. Peter's. But if the 8th grade squad should win in the tournament at Carmel, this game will have to be postponed.

Tackers Win In Overtime

Don Edward's shot at the buzzer put the Tackers into one of two overtime periods against the Royals Saturday night in Grand Rapids. The home town team won it 127-121. Edwards led the Tackers with 34, followed by Willie Bond with 20, Dennis Stewart, 18, Craig Spitzer, Sterling Burke and George Moore registered 33, 30, and 29 respectively for Rockford.

Peoria beat Waukegan 132 to 120. All twelve Chiefs got into the scoring column with Clarence Brown 23, Tom Gordon 18, leading the way. (Larry Howard grabbed 19 rebounds.) Mike Dyer hit for 43, Tim Robinson 32, and Les Long contributed 22 for the Wizzards.

Max Walker and Joe Franklin lead the Mods past Decatur 130 to 117. Scoring 36 and 34 points respectively, the high scoring towosome got fine support from Waymon Stewart with 23, and Irie Grant with 17. Hubie Marshall, the loop leader, scored 33 to maintain his number one spot and Jesse Price chimed in with 29 for the Bulls.

Grapplers Finish In Sixth

Antioch's wrestlers disappointed and flat after their one point loss in the conference tournament last week finished a disappointing sixth in the State District tournament held at North Chicago High School last weekend.

"Our District is definitely not a team contest," stated Coach Ted DeRousse. "We had little or no chance of winning as a team but we try to get our best boys through to the State Tournament. Waukegan and North Chicago are the best two teams in the state this year and they are both in our district." Unfortunately for Antioch two

Events Set For 885 Fish Derby

Roy Pearcy, Chairman of the Ice Derby sponsored by Antioch's 885 Civic Club, announced the program, and schedule of special events, today.

Beginning at 6 a.m. Sunday, Feb. 22nd, on the south side of Lake Catherine, one mile West of Antioch on Rte. 173, frigid-anglers will tempt finny denizens of the cold deep into committing hook-and-line to qualify them for one or more of the hundred prizes being awarded to the lucky piscators, who land the largest of each of the ten species of fish eligible to win prizes. Including northern pike; walleye pike; bass; bluegill; sunfish; crappie; perch; striped; catfish; and bullhead, plus the oddest fish caught.

Prizes will also be awarded to the oldest fisherman (or fisherman); the youngest; the best ice fishing shanty, and the most colorful.

Special Events start at 8:30 a.m. with the men's chisel contest, followed by the men's auger event at 9 a.m.

9:30 A.M. Ladies' Auger Contest.
10:00 A.M. Men's fishing contest in the freshly made holes (Continued on page seven)

of our three outstanding boys were ill. Terry Triplett (17-2) is just recovering from a kidney infection and Rick Nelson (10-1) was so sick he could not get out of bed. With outstanding wrestlers in every weight class, Antioch's best hope was its outstanding heavyweight Mike Ring (22-0).

Ring pinned Bob Harris of Grant in 1 minute 45 seconds and defeated Joe Bakshis of North Chicago 6-3. In the finals Mike lost to Edgar Travers of Waukegan 1-0. Mike will go to the sectional wrestling tournament this Friday at Glenbrook South High School. If he places 1st or 2nd there he can proceed to the state tournament.

Other wrestlers to score in the district meet were Gary Rush who took fourth at 107; Mike Stickler; and Mike Ptasowski, both of whom won opening opening round matches.

Dog Sled Racing Is Featured

Northern breeds of dogs including Alaskan Malamutes and Siberian Huskies will be a feature of the 5th annual ice fishing derby at McCullum Lake Saturday, Feb. 21, weather permitting. The derby will also be held Sunday, Feb. 22, hours from 9:00 a.m. to 4:00 p.m. each day. The private lake, open to the public for the sports event is located 2 miles northwest of McHenry west of Ill. 31.

Members of the Midwest Dog Sled Club from the states of Wisconsin, Illinois, Michigan, and Indiana will participate with their dogs and up to 12 dog sleds. Jan and Chris Byrnes of Crystal Lake, members of the club, are co-operating with derby chairman Gene Huff and Al Kanak, president of the Cullom-Knoll Ass'n., the sponsoring organization. The dogs will race around a track laid out on the lake and will follow with weight pulling contests, beginning about 1:00 p.m. There will also be a special children's event.

Contestants entering the fish derby must have an entry ticket and anglers over 16 require a valid fishing license. Bait, tackle and hot refreshments will be available on the grounds, plus free parking nearby. Valuable sports equipment, including Winchester shotguns and colored TV will be offered as inducements. Members of the Illinois Conservation Dept. will act as judges and their decisions are final.

In addition to the dog sled races, there will be tug-of-war contests and games for children. Proceeds from the event will be utilized for a youth center in McCullum Lake.

Events Set

(Continued from page 3)

- 10:30 A.M. Ladies fishing contest
- 11:00 A.M. Children's fishing contest
- 11:30 A.M. Ladies sack race
- 12:00 Noon Men's sack race
- 12:30 P.M. Children's sack race
- 1:00 P.M. Figure skating contest - ladies and men
- 1:30 P.M. Figure skating contest - boys and girls
- 2:00 P.M. Ice skating race - men
- 2:30 P.M. Ice skating race - ladies
- 3:00 P.M. Ice skating race - boys and girls to 15 years old
- 3:30 P.M. Penny Scramble
- Children up to 6 years old
- 4:00 P.M. Ice Derby closes - distribution of prizes

A Derby official will be on the ice all day awarding prizes to lucky fishermen who do not catch a fish. Hot breakfast will be served up on the ice and in the Felter's South Beach Clubhouse on shore for the early bird fishermen, starting at 6:00 a.m. Hot refreshments will be on tap at both locations all day.

Ample free supervised parking will be available at places marked along Rte. 173.

Included in the prize list are fishing tackle and lures; rod and reel; hunting knife; electric tooth brush; rod rack; hook extractor; landing net; game calls; fish skinner; leader splicing tool; flashlights and lanterns; boat and car compass; steak knives; Coleman stove; hair brush travel kit; thermos bottle; Corning ware; cologne; linens; dimmer switch; sewing kit; hand warmers; ceramic items; jewel case, plus many more, and including the Mercury Outboard Motor equipped fishing boat; Remington trap grade shotgun; Zenith tape recorder; electric blender; electric knife; and set of stainless steel knives.

Rules for all fishing events and special contests will be posted on the ice, and salamanders will be placed on the ice to warm chilled anglers, contestants, watchers and kibitzers.

4-H Dairy Calf Sale On Feb. 28

Lake County 4-H and FFA dairy project members who need a purebred calf should grab their "checkbooks" and head for the University of Illinois, Feb. 28.

Bonafide Illinois 4-H and FFA members will have exclusive bidding rights that day on 61 purebred dairy calves at the 22nd annual Dairy Calf Sale. The sale starts at 11 a.m. in the U. of I. Stock Pavilion.

Sale sponsor is the Illinois Purebred Dairy Cattle Association. J. G. Cash, U. of I. Extension dairyman, says consignments to the 1970 sale are 24: Holsteins, 14 Guernseys, 9 Jerseys, 8 Brown

NI-Gas Earnings Higher

Consolidated earnings for 1969 of \$2.57 per share of common stock, prior to a write-down, were announced by Northern Illinois Gas Company in its quarterly report. This compares with \$2.34 in 1968.

NI-Gas Chairman Marvin Chandler said the write-down of 56¢ per share was made to reduce Apple River Chemical Company's plant to estimated realizable value. Apple River is a wholly-owned NI-Gas subsidiary in East Dubuque, Illinois. After the extraordinary charge, consolidated earnings for 1969 were \$2.01 per share.

In commenting on the write-down, Chandler said, "Apple River has had operating losses from its inception. We currently plan to dispose of the plant during 1970, as we see no reasonable hope for a near-term significant change in its operating results. Our 1970 and future years' consolidated earnings should be relieved of further Apple River losses."

NI-Gas, which serves more than one million customers in northern and western Illinois, reported its new five-year estimate of utility construction expenditures for 1970 through 1974 at \$308 million. The utility expects to spend about \$61 million in 1970, about \$10 million more than was spent in 1969.

Chandler told stockholders that last winter's 24-hour record gas sendout of 2.37 billion cubic feet was topped six times during the January, 1970 cold spell. The new NI-Gas record, set January 20, is 2.72 billion cubic feet.

Chandler referred to the previously reported small working interest in a promising discovery well near Elk City, Oklahoma, owned by the company's exploration subsidiary, NI-Gas Supply, Inc. He stated that, as a step to assure the company's future gas supply, the subsidiary has now signed agreements with the other owners to purchase, subject to regulatory approvals, the gas that may be found on a large block of acreage surrounding the first well.

Chandler said NI-Gas is studying the formation of a holding company. He explained:

"We are interested in other activities which will supplement, complement and enhance our principal business. We believe a holding company might be a better means than our present form of corporate organization for maintaining and enhancing our basic utility business and, at the same time giving us flexibility to enter into promising related fields, as opportunities arise."

He also said negotiations are continuing with Commonwealth Edison Company for the possible acquisition of Edison's Mid-Illinois Gas Company. Mid-Illinois serves about 100,000 customers in and around Rockford and Freeport, as well as a number of central Illinois communities, including Lincoln and Tuscola.

Chamber Membership

The Antioch Chamber of Commerce, formed by a few business-people in 1965 now had a total of 193 members, the Chamber announced.

The Chamber Board said it is looking forward to a very active 1970.

Pollution Control

The Antioch Grade School Board of Education has been granted permission to install an incinerator at the Antioch Upper Grade School to control fly ash.

The permit was among 29 issued by the Illinois Air Pollution Control Board throughout the state for such control.

Swiss, 4 Ayrshires and 2 Milking Shorthorns

More than 1,600 quality, purebred dairy calves have gone to young Illinois dairymen since the sale started in 1948. Cash says only bonafide 4-H or FFA members from Illinois may bid. All buyers must certify that they will use the calf bought for 4-H or FFA projects. A 4-H or FFA member unable to attend the sale may designate another person to buy a calf for him.

Interested young Lake County dairymen can get sale information from Assistant Extension Adviser, Dennis Hertz at 223-5844. Catalogs are also available from J. G. Cash, 338 Animal Science Lab, University of Illinois, Urbana 61801.

Central Board Sets School Calendar

The regular meeting of the Board of Education was called to order at the high school by Dr. S. Waldo with all members present. After the reading and approval of minutes of the regular meeting of December 9, 1969, the treasurer's report was submitted and all bills presented were approved for payment.

Chester Knight, Wisconsin School Consultants Service, appeared before the board at its request to inform the board on the methods and help a school financial consulting service can offer in bond issues. Knight presented many testimonials of the success of his company from school districts in Illinois and Wisconsin.

Floyd Holloway, treasurer of the Board of Education, was appointed delegate to the Wisconsin Association of School Boards Convention in Milwaukee on Jan. 21, 22, and 23.

A proposed calendar for the 1970-71 school year was examined and approved by board action. This calendar will be presented to the voters at the annual meeting in July, 1970.

Mrs. John Stenson of the Social Studies Department is resigning to accompany her husband on his job transfer; the board approved the contract offered to Mr. Joseph Coady of Needham, Wis., as her replacement for the remainder of the school year.

The board heard reports from its negotiating committee on its first meeting with the teachers' association and completed the evening business by approval in-service projects presented by the administration.

Disabled Vets Not Getting Insurance

The Veterans Administration said today that thousands of disabled veterans are not taking advantage of valuable low-cost insurance available to them.

Administrator of Veterans Affairs Donald E. Johnson said that VA disability ratings result in more than 7,000 veterans being added to the rolls each month. When they are, Johnson said, they are encouraged to apply for the special RH insurance with premiums so low that a 25-year-old veteran, for example, can start a \$10,000 insurance program for \$2.60 a month.

Thus, \$10,000 RH and \$10,000 converted SGLI at standard rates allows disabled veterans an opportunity to carry \$20,000 insurance at comparatively low premiums. Many could not qualify for other insurance or could do so only at increased premiums," the VA chief pointed out.

RH National Service Life Insurance is available to veterans separated from service after April 24, 1951, who have been rated by the VA as having a service-connected disability.

Applications for RH insurance must be submitted within one year from the date VA establishes the disability, and is available whether or not veterans have converted their Servicemen's Government Life Insurance (SGLI) to a private policy after they got out of military service.

Disabled veterans are urged to get additional information from their local VA office as soon as possible after receiving disability rating. A legally appointed guardian or other person acting in a veteran's behalf may apply if the veteran is incompetent, Johnson said.

VA insurance offices in Philadelphia or St. Paul inform each veteran that he is entitled to apply for low cost RH insurance at the time his disability has been established, but VA has found that many ignore the opportunity to do so.

Gifts For Retarded Prepared

Brownie Troop No. 210 and Girl Scout Troop No. 157 of Grass Lake School had a very exciting time preparing their service projects, and found them to be very rewarding. They made Valentine gifts for all 134 patients of the Klingberg School for the Retarded.

The Brownies made their own original valentines and scrapbooks of beautiful Christmas cards and pictures of animals and things each Brownie thought would interest the patients.

The valentines were placed in a decorated valentine mailbox with a picture of the Brownies and Girl Scouts.

The Girl Scouts made party cups decorated with hearts and filled with candies and suckers. All gifts were delivered in time for Valentine's Day and were enjoyed by all.

Army Nurse Corps Seeking Volunteers

The oldest military nurse corps in the world, the United States Army Nurse Corps celebrates the 60th anniversary of its founding during the month of February. Sgt. Brasket, local Army recruiter, announced today that the Army Nurse Corps is seeking volunteers to join the all-officer corps to coincide with the 60th anniversary due to the critical need for Registered Nurses that exists.

Army Nurses currently are providing excellent care and attention for hospitalized servicemen in Vietnam. The percentage of men succumbing to battle injuries is the lowest of any wartime period of history, according to Sgt. Brasket.

"But," the Sergeant continued, "there are too few army nurses and, as casualties mount, they are hard-pressed to provide the same excellent care. The pressing and increasing need for Nurses in Vietnam may cause a critical shortage of Nurses in hospitals at home and at other overseas posts. Then, too, returning casualties are being sent to hospitals in the United States for further recuperation, more speedily than ever before. This imposes an even greater demand for additional Army Nurses for 'State Side' duty as well as choice overseas assignments."

Interested men and women who are registered Nurses, between 20 and 35 years of age, are urged to write or visit Sgt. Brasket at 108 S. Genesee St., Waukegan, or call him at 682-3260 to obtain additional information.

\$25.3 Million Spent By VA In County

John B. Naser, manager of the Illinois Veterans Administration Regional Office in Chicago, disclosed today that the VA spent \$25,383,440 in Lake County to aid veterans during Fiscal Year 1969. This includes \$5,982,366 in compensation and pensions.

Administrator of Veterans Affairs Donald E. Johnson revealed at the same time the total VA funds expended in the state of Illinois during the same period amounted to about \$395,399,261, of which \$187,850,851 was in compensation and pension payments.

Funds spent in Lake County, Naser said, also included \$1,684,190 for readjustment and vocational rehabilitation, and \$1,637,243 for insurance and indemnities. Regional office expenditures and hospital operating costs in the state of Illinois amounted to \$101,106,866. The VA also spent \$5,546,276 in Illinois for construction and related costs.

Antioch GOP Sets Special Meeting

The Antioch Township Republican Club will hold a special meeting Wednesday, Feb. 25, at 8 p.m. in the Antioch County Club to iron out the many details in preparation for the ATRC Spring Dinner Party being held at the club on March 7.

President Harry Stern urged all members to attend the meeting and extended an invitation to the public to attend and see their local political organization in operation.

Crime Commission Annual Dinner Set

The Lake County Crime Commission will hold its annual dinner meeting on Tuesday, March 10, at 6:30 p.m. in the Swedish Glee Club in Waukegan.

Speaker for the meeting will be Mitchell Ware, newly appointed superintendent for the Illinois Bureau of Investigation recently formed by action of the Illinois Legislature.

Five Area Students Make Dean's List

Five Antioch area students at the College of Lake County have qualified for the Dean's Honor List for the first semester of 1969-70.

They are Susan K. Hession, of Rte. 3, Box 411, Antioch; Patricia J. Johnson, of Rte. 4, Box 276, Antioch; Karen J. Schreiber, of Rte. 5, Box 385, Antioch; Arlene H. Wegner, of 560 Gary's Drive, Antioch; and Janice L. Heldner, of 1906 Hazelwood Drive, Lindenhurst.

VA Raises Rates For Vets Care

The Veterans Administration announced recently that a \$4 a day increase in the rate paid to states for veterans receiving care in hospital facilities which meet VA requirements. Signed into law by President

FUNERAL NOTICES

WILLIAM D. FERRIS
William D. Ferris, 47 years old of Lake Shangri-La Woodlands Subd., Antioch, passed away at 3:00 p.m. Monday at Victory Memorial Hospital. He was born Nov. 4, 1922 in Chicago and resided there until moving to Salem Township in 1955. He was a member of St. Scholastica Church at Bristol, Wis.; the Fox Lake American Legion Post No. 703, and had served in the U.S. Marine Corps during World War II. He was an architectural draftsman for the Chicago Board of Education. He married Shirley McGowan on July 22, 1943 at Vallejo, Calif.

Survivors are his wife, Shirley, three daughters, Mrs. Denise (Leon) Elselder, Antioch; Mrs. Diane (Karl) Raasch, Libertyville, Ill.; Mrs. Shirley (Lawrence) Budrick, Antioch; his parents, Ann and George Moeck, Antioch, and three grandchildren.

A funeral mass will be held at 10:30 a.m. today (Thursday) at St. Scholastica Church at Bristol, with Rev. Edward Eschweiler officiating. Friends called at the Strang Funeral Home in Antioch after 2:00 p.m. Wednesday. Interment will be in St. Scholastica Cemetery in Bristol, Wis.

TED S. SAMBORSKI

Ted S. Samborski, 57 years old of Salem, Wis., passed away Friday, Feb. 13, at 8:40 p.m. in St. Catherine's Hospital at Kenosha, Wis., after a five year illness. He was born Nov. 20, 1912 in Seranton, Pa., and moved to Chicago as a child where he resided until moving to Salem in 1947. He was a member of St. Scholastica Church at Bristol, Wis.

He had served in the U. S. Army during World War II. He was a carpenter by occupation and had worked for Kirchmeyer Builders for several years. He married Martha Ryglewicz on July 31, 1938 at St. Stephens Church in Chicago.

HARRY R. VALENTINE

Harry R. Valentine, 73 years old of Beach Grove near Antioch, passed away at 10 a.m. on Thursday, Feb. 12, in Victory Memorial Hospital. He was born Nov. 2, 1896 at Göteborg, Sweden and came to America in 1912 to reside in Chicago until moving to Antioch in 1953.

Survivors are one sister, Mrs. Gertie (John) Lindgren, Antioch, with whom he lived, one brother, Conrad (Gretchen) Valentine in Miami, Fla., brothers and sisters in Sweden; one nephew Harry J. (Mary Jo) Lindgren and their daughter, Jeannie, of Antioch.

HERMAN A. KEISLER

Herman A. Keisler, 80 years old of Hunt Ave., Twin Lakes, Wis., passed away at 3:35 p.m. on Sunday, Feb. 15 in Burlington Memorial Hospital at Burlington, Wis., after a lingering illness. He was born Dec. 1, 1889 in Chicago, the son of the late Almond and Marie Keisler. He had resided at Elgin, Ill., Long Grove, Ill., Lake Villa, Ill., Bristol, Wis., Richmond, Ill., before moving to Twin Lakes in 1954.

He married Rose Miller on June 2, 1915 at Dundee, Ill., and they celebrated their 50th wedding anniversary in 1965.

Survivors are his wife, Rose, three daughters, Mrs. Laurene (Gordon) Volting, Antioch, Ill.; Mrs. Alta (Charles) Rudolph, Friendship, Wis.; Mrs. Gladys (Roy) Aronson, Antioch; four sons, Leo Keisler, Lake Villa; Elmer Keisler, Antioch; Lawrence Keisler, Salem, Wis.; Herman Keisler, Twin Lakes, Wis.; two brothers, August Keisler, Elgin, Ill.; and Alois Keisler, Elgin, Ill.; four sisters, Mrs. Mary Thurnau Sharon, Wis.; Mrs. Hattie Humbracht, Chicago; Mrs. Lucille (Frank) Elnecher, Lincolnwood, Ill.; Mrs. Theresa Lawler (Pompano Beach, Fla.).

Funeral services were held at 2:00 p.m. Wednesday, Feb. 18, at the Strang Funeral Home. Rev. David Ponath of the Hope Lutheran Church officiated. Interment in Antioch.

Nixon recently, PL 91-178 increased the per diem rate for each veteran to a maximum of \$7.50 from the old rate of \$3.50 which had been in effect since July 26, 1968.

The new law affects approximately 2,000 primarily aged veterans who live in 35 state homes. The other per diem rates of \$3.50 for domiciliary care, and \$5 for nursing home care of veterans remain unchanged.

Another feature of the law is that it provides for Federal assistance in the remodeling, modification, or alteration of existing hospital or domiciliary facilities in state homes providing care and treatment for veterans.

Such assistance to any one state may not exceed 50 per cent of the estimated cost of the project, or more than 20 per cent of the total amount Congress appropriates for any fiscal year.

ment was in Hillside Cemetery at Antioch.

MRS. LYDIA D. KELLY
Mrs. Lydia D. Kelly, 68 years old formerly of 347 Harden St., in Antioch, passed away at 3:00 p.m. Saturday, Feb. 14 at Waukegan Pavilion Nursing Home after a several years' illness. She was born Nov. 28, 1901 in Chicago and had resided there until moving to Antioch in 1946. She had worked as a secretary for Feyerabend Motors in Antioch, and later as a secretary for the Antioch Dairy.

She had married Langon A. Kelly in New York and he preceded her in death on Oct. 6, 1958.

IRVING F. A. MEYER

Irving F. A. Meyer, 70 years old of 108 Lakeshore Drive at Bluff Lake near Antioch passed away Saturday, Feb. 14 at 2:30 p.m. suddenly. He was born on May 23, 1899 in Milwaukee, Wis., and had resided in Chicago before moving to Antioch.
